Prologue

I, Fujisaki Nobuhiko, is a man that has stronger libido than any other guy, I'm also in the vigorous age of 18 as a student.

Though I also have to study for examination, if I don't masturbate 5 times at night and 5 times next morning, I can't go to sleep because of the excitement of desires.

My penis is also larger than an average Japanese as it is 20cm. It is my shameless partner that wouldn't just wither after one time of masturbating.

I think my face looks decent, but I've never be able to get myself a girl friend, it's what people call a virgin.

I've always let my feelings out on eroge and videos on the internet, but it ended up affected my examination at school.

So, to distract my lust from just doing masturbation, I saved up pocket money to buy the most-wanted title of game coming out this winter called 「Dragon Hunter Cross」.

「Dragon Hunter Cross」is different from the common generic ARPG, by giving players the real sense of going hunting, the game slowly became a very hot title. It has a lot of new contents and its reputation has been very good, too.

That's why I was very excited and happy to head towards the game shop where I ordered the game, but...

「What are you looking at ! ? ! 」

I suddenly encountered an emergency situation. Three Japanese yankee were surrounding an old man sitting in his wheelchair.

「S-Stop it ! He's just a disabled elderly..... ! 」

「What's that... ! This guy's actin' all bossy sitting in that wheel chair. I'm just showing him how to behave, get outta my way ! ! 」

「I'm sorry.....I wasn't.....」

The old man tried to settle the commotion.

「Just sorry doesn't cut it！！」(すまんで済んだらケーサツもヤンキーもいらねんだっつの！！ - no idea how to translate this)

「Boss, this old geezer's bag is empty, he doesn't even have any money」

The yankee that seems to be the boss opened the old man's bag at his own convenient and turned it upside down.

「Y-you people, without even permission.....！！」

「What's this, niichan, would you pay compensation in this old man's stead！？」

「W-what.....」

Before I even realized, a yankee has already restrained me from behind.

「S-Stop it.....」

An impact hit my abdomen.

The bossy yankee gave me a blow.

「Gu.....！！ *cough*.....！！」

「Stand still, niichan.....oh? you carry quite the amount of money, don't you」

Taking 30,000 yen from my wallet, the Yankee laughed satisfyingly.

「Th.....That was.....my money to buy game.....*cough*！！」

The yankee hit me again while walking away, still laughing happily.

~~~~~  
~~~~~

「Are.....are you alright, ojisan.....」(TN: uncle-san) I pushed the wheelchair to a nearby park while rubbing my abdomen, I bought a coffee from the vending machine and offered it to the old man.

「Did they.....use violence to steal from you？」

「Nah.....it's already good that you came to help」

「It's all good then.....」

The old man drank a mouthful of coffee and looked up at me.

「？What is it？」

「You.....are a praiseworthy young man, you helped me despite getting hit even without me calling out」

「Um.....that's.....I couldn't just leave it like that.....」

The old man's eyes suddenly turned all sincere.

「Are you being shy？」

「.....To be frank, yes I am.....」

「Do you want to become strong？」

「.....if it's possible.....then yes I do.....」

「Very well, then to the honest you, I have a present」

The old man took out two boxes from his bag while saying so.

「That's.....！ Aren't these the console and the game “Dragon Hunter Cross”！？」

It was supposed to be empty, what's with that bag？

「This is what you wanted right？」

「That's.....true but.....is it alright to give me such expensive things？」

The old man just laughed shaking his shoulder.

「This isn't the regular thing you usually see, but please use it as it has some.....special features」

Not the usual thing？ Is it stuff made in a foreign country？

As his words trailed off, I looked to his direction and he already disappeared since long.

「H.....Huh.....？」

I was left alone at the park with a sense of being bewitched by a fox. (TN: 俺は公園に独り取り残され、狐に化かされた様な感覚に陥っていた。) This is the beginning for my new life of hunting for pleasures.

Game start ★

I, who was given a console and the game “Dragon Hunter Cross” by a mysterious old man, went straight back home to confirm the quality of the things.

Neither the package nor the contents were changed, everything seems genuine.

I took the 3PS console out and read the manual but there didn't seem to be anything strange.....was he just making a fool out of me ?

When I thought ‘let's try this out’ and closed the manual, something strange was written on the back of the booklet.

『About the way of doing things inside the game 』

「The way of doing things.....inside the game ? 」

『When you want to go inside the game, please push L button five times with the selection button pushed. When you want to return, please do a similar operation with the controller that appears inside your head』 (TN: Not 100% sure about this one) The hell..... ? Inside the game ? To go inside ? Such thing is impossible.

This might be a joke of the developers.

I charged the 3PS console and started initializing it while connecting it to wireless LAN, then I inserted “Dragon Hunter Cross” while being excited.

A heroic opening movie was shown and the logo of Dragon Hunter Cross was projected on the screen.

I already checked out the “How to play” guides on the official website.

There was something strange at the character creation part.

「What's this.....I can only choose a Male character.....」

Dragon Hunter Cross is supposed to let players freely choose between male and female.

Is this a fake product after all ?

「Tch.....even though I intended to make a female character and have her wear

erotic equipment.....」

Anyway, since it can't be helped, I'll just make a male character and try to make him look good.
Character's name... I just read an R18 web novel the other day so I'll use that protagonist's name "Arc".

As the character creation ended, I proceeded to the main part being very excited.

The screen projected the scene of a farming Alpine village, as well as its field.
I greeted the chief and other inhabitants and was given a house. At first I thought it was fake, but it seems like the old man didn't fool me, this really is the genuine product.

As for the beast people in the village... I came to say hi to the so called "cat rous" girls.
When I talked to the balloon cat that managed the village, it said something strange.

『Hunter-sama, from here, you can proceed to Saishono Village, Yukiya Village, Hot Stream Village, and the Red-light district nya~』

「.....ha？」

I was dumbfounded and read the whole thing again twice.
In the Online PC Version of this game, this town is the starting base, that I understand. (TN: ビジョオルデというのは、ドラハンのPC版オンラインゲーム、「ドラゴンハンターオンライン」の拠点となる街だ、それはまだ分かる。)
But Red-light district.....？

This is a game that you shouldn't expect any eroticism, much less an absurd thing like this.
But the word "Red-light District" is clearly written on the screen.

「.....let's try going there.....」

I asked the balloon cat for directions and moved my character towards the Red-light district.

~~~~~

~~~~~

Before my character, a street with rows of houses like in the Middle Ages with the dusky pink-like atmosphere opened.

The streets were suspicious, customer-pulling men were standing here and there everywhere.

I made up my mind and talked to one of them.

「Welcome ! 3000 gold for one night of sex ! How's that onii-san ! 」

Then the line 「Gold is insufficient」 appeared on the screen.

「Come again another time ! Onii-san ! 」

I only had 1000 gold the village chief gave me as a headstart, and when thinking about hunting business in the future, gold cannot be wasted too easily.

To my eyes that looked miserable, a pink billboard caught my attention.

『Pink Salon Aokinoko』

A massage salon should be cheaper than real prostitutes.....。

I talked to the man with manners and knowledge that I was superficial of.

「Each time ! It's 800 gold for 50 minutes ! How's that, onii-san ! 」

800 gold.....If I sell weapon prepared beforehand in that earlier house I got I should be able to afford.....。

I decided to sell off other weapons except for the sword and the heavy gun to raise money.

For the time being, I'll enter the Pink Salon and confirm the adult aspect of this game.....。

I chose the option 「Yes」 on the screen.

~~~~~  
~~~~~

The POV suddenly changed to First person from Third person like in ADVs. (TN: Adult videos???) 「Mister, welcome~ ! Papillion-san, would you mind~ ! 」

The clerk says so and guided my character to a seat.

When you look carefully, there were other visitors aside from me, and though it

was dim and hard to see, they seemed to be kissing and tasting each other.

A refined beauty who had her black hair gathered up came to my seat soon.

「My name's Papillion~, please take care of me today okay?」

Papillion-chan shows reactions even though my character didn't return a word.

「Ufufu, you say such nice things.....so I'll give you a lot of service today okay♪」

Papillion-chan took off the shoulder part of her thin dress, showing her breasts and asked me to caress her.

「OOOOOOO!」

I shouted in front of the screen like an animal. (TN: 俺は画面の前で叫んで、逸物をシゴいていた) My character groped Papillion-chan's breasts, her finger seemed to play with her secret place.

「Ahn♪it's time, please excuse me~」

Papillion-chan took off the lower half of my clothes.

「! ?」

The crotch of my character wasn't censored! Not censored!
Uncensored! ?

「Large.....Ufu、then let's begin okay?」

Papillion-chan put my cock into her mouth, and intense fellatio started.

「Mm..... Mm..... *drool*... Mm..... this is amazing.....*drool*.....」 (TN: Alright, she's talking with a dick in her mouth, the sentence wasn't correct but I think it's close) I got excited and synchronized my "son" with my character.

「Nmu..... *drool re ro re ro*..... let it out..... is my mouth pleasant?」

Papillion-chan's words became the coup de grace, I ejaculated simultaneously with the character and let the semen out on a tissue.

「Ahn!Ufufu、you let out so much.....」

Then the POV returned to Third person again as my character stood in front of the shop.

「Please come back again, I'll be waiting for you〜♪」

Papillion-chan came outside from the interior of the shop and put a kiss on my character's cheek.

I stood amazed in front of the screen with the lower half of my body exposed.

This kind of game software, unbelievable.....。

Then that line written on the back of the manual, 『About the way of doing things inside the game 』, but if that's true..... ？

If that is true..... this will be wonderful..... ！

My “son” was still standing there dripping drops of cum.

Dive into the game

With the lower half of my body still naked, I dragged the manual of the 3PS console out again and looked at the back of it.

There, without doubt, the line 『About the way of doing things in the game』 was written, clearly not a dream.

Going inside the game.....is just the dream of every single gamer.

For an instance, what if one were able to go into an erogé ? What if it was possible to become a famous protagonist in RPG's ? That's right, something like that.

「Press L button five times with the selection button also pressed.....」

This is something rarely seen being done in regular games.

「Just calm down..... ! 」

Delicious food should be eaten right away without any hesitation.

I read the manual once again.

『When you want to return from inside the game, please do a similar operation with the controller that appears inside your head』

Not just going inside the game, but I can also freely enter and exit..... ?

「.....」

I gulped down my saliva. (TN: Actual sentence is 'I make a gulping sound in my throat' but it sounds... meh... so I changed it a little) (I'll just try.....I'll just try to see whether it was a joke.....if the situation turns dangerous I'll jump back out right away.....)

I cleaned the room, and just in case I put a note on my desk that people should call the police if I'm not back by next morning, then moved my character to a safe place in the village.

As I held the Selection button down with my trembling hand, carefully I pressed the L button once.... twice..... then five times.

The next moment, I blinked my eyes once and the view completely changed.

「.....UOOH ! 」

Though I was supposed to wear a house coat and should have been in my room, I somehow wore live stock farming-like clothes now and stood in the center of a quiet village surrounded by the meadows.

The smell of grass, the fragrance of cheese from the stall of cat rice in the center of the village, then all the coming and going people.... everything felt extremely real.

(T-t-t-t-this is reality ! !)

I was impressed and amazed at the same time.

(I have really come into the world of Dragon Hunter Cross ! !)

「Um.....Arc-san ? 」

I was startled when someone called my character's name... I turned to the caller.

「Y-Yes ! ? W-What is it ! ? 」 (TN: Arc uses polite form of speech here) The person was a receptionist lady in blue uniform with a hat, her hair was gathered up neatly but her face had a blank expression.

「Because you were standing in the middle of the village so I thought something happened.....were you thinking about something ? 」

「N-No ! I-It's nothing ! 」

I was stunned by her beauty so I answered incoherently while being confused.

(S-So cute~~~~ ! !) (TN: Kawaii!!!!!!)

She held a file under one arm and she has this business atmosphere around her, genuine cuteness it is. (TN: Not to sure about this, I suspect the author had a tiny typo here but who am I to say, I might just be wrong) 「Arc-san、you're a hunter of the village and one day is not long, shouldn't you hurry and go to work ? But if you want to receive a request just come see me anytime okay ? 」

「Y-Yes ! 」

I recalled as we talked.

As a hunter, I should go hunting.....。

In Dorahan, when thinking about going to fight scary monsters, a chill was sent down my spine. (TN: Doragon Hanta Kurosu => Dragon Hunter Cross => Dorahan for short) No, that's right, this time I came into the game to experiment.....。

「Erm.....is the house allotted to me over there good ? 」

I pointed at an isolated simply-made house.

「Yes, it is. Or is there any insufficiency ? 」

「N-No.....forget what I said.....then I'll be off.....」

I left with those words and headed for my house.

~~~~~  
~~~~~

「Welcome home, Master ! 」

The assistant cat girl welcomed me.

My house is the simple house where only a cooking stove, an item box and a bed are put. A window is open, so sunlight is lighting up the house.

I timidly peeked into the Item Box, a pitch dark space spread inside.

If I'm not mistaken, there should be weapons in here..... when I thought so, a list of things floated inside my head.

I cautiously operated the 3PS console in my mind selling off all weapons except for the Heavy gun and the sword. (TN: there's a freaking heavy gun in this game ?)

Then I obtained an amount of gold ! The message floating in my mind said so. But there was nothing stated that cash was paid to me.

「Oi.....where's the gold ? 」

「Nya ? Hunter-san's money is saved in your Hunter Card, you would go shopping with your Hunter Card nya~」

So that's how it is.....we don't carry the jingling bag of gold but use this system.....。

「Master, are you alright nya ? maybe you should go rest a little.....」

「N-No, I'm alright, it's just that I want to be lost in thought for a while,

alone.....」

「Nya.....Is that so nya...」

I sat down on the bed, took a deep breath and imagined me operating the 3PS console by pressing L button five times while holding down Selection button.

Then the scene changed again as I blinked and I was sitting in my room in front of the screen with the controller in my hands.

「.....I'm back..... ! 」

I let out a sigh of relief and looked at the game screen.
There was my own self standing in the middle of that room.

When I selected the Item Box with the controller and looked inside, every other weapons except for the sword and the Heavy Gun were sold off giving me 4000 gold.

「.....I really went into a game.....」

Anyway, I'm able to freely enter and exit Dorahan. (TN: Again, Dorahan is the short version of Dragon Hunter Cross)

After this, I'll go back into the game once more and pay 3000 gold for sex.....。

I was thinking so when I suddenly realized.

I'm a virgin.

If I were to throw away my virginity, why not do it in the best sexual intercourse.

I operated the game and went around the Red-light district for further inspection.

Apparently, the best prostitute in the town was 20,000 gold for one night.

If I calculate this based on the earlier Pink Salon, 1 gold should equals 10 yen.

For one night to be 200,000 yen.....the service must be extremely wonderful.

That's right, I can go back and forth between the game world and reality freely. I should do the hunting while using the controller from the real world. (TN: The actual sentence sounds gibberish in English so I rephrased it)

And then, go into the game for the red-light district !

I suddenly got fired up.

Then I kept playing Dorahan and went on doing quests with the heavy gun, and successfully saved up 30,000 gold.

Alright, it's time to graduate from being a virgin !

OK, to the Red-light district

Before returning to the game again, I clipped my nails, took a bath and brushed my teeth.

Even though the girls are inside a game, I think I'd still be hated if I'm dirty.

Then I entered the game with pounding hearts, selected the Red-light district at the place with the balloon cat and moved there.

The place had the pink and suspicious atmosphere as usual, customer pulling guys were standing here and there to call out.

I recalled the MAP in my head and started walking towards a luxurious brothel that I had my eyes on beforehand.

In front of that place, 「Dragon Brothel」, was a customer puller。 I timidly presented my Hunter Card.

「U、Um.....will this be enough for one night ? 」

The barker confirmed the card.

「Yes、it's enough、is customer a first timer here ? 」

「Y、Yes」

「Our shop is prepaid.

But since dear customer is a first timer, we'll give you a discount of 2000 gold」

「T、Thank you very much.....U、Um、can I see the girls first, and also I want to know their names ? 」

「Dear customer can look through the girls in this album and decide. Please take your time, no need to hurry」

The barker said so and brought out an album.

I flipped through the pages, all the girls were so beautiful it was difficult to choose.

Then a specific girl caught my attention.

Hanging eyes aside、she gives off a gentle atmosphere、her hair was tied in a fluffy side-tail.

「U、Um.....what kind of person is this girl ? 」

「Kashima ? Dear customer、you're lucky、this girl is a new face here、her service is good、her popularity is rising fast、so she cannot be picked so easily. She's gentle and polite, good girl isn't she ? 」

「T、Then、I'll choose this girl」

「Yes、then it would be 18,000 gold.
Please wait in the reception room」

~~~~~  
~~~~~

I was waiting nervously in the room when someone knocked on the door.

「Y、Yes ! E、Enter ! 」

「Excuse me.....Kishima desu~♥ Thank you very much for choosing me today♥」

「Fuwaa..... ! 」 (TN: Whoa...)

I was fascinated by the beauty who just entered the room.

It wasn't clear on the black and white portrait, but now before my eyes is a beauty with beautiful silver hair, and it shines whenever her side-tail shook. Her skin was white, and her face is way more cute compared to the portrait. Though she had hanging eyes, the gentle aura is still there, and her smiling lips are charming, too.

She had the same uniform with the receptionist lady but in white, she substituted the tie with a red ribbon and enhanced her attractiveness even more.

「.....Dear customer ? What's wrong ? 」

「Ah、N、No、I didn't think a girl this cute would come.....she's way cuter than in the portrait」

「Maa~♥ Thank you very much、Ufufu♥」

(TN: There's no way to translate "Maa", if you watch anime then I think you'll understand, if you never watched anime, I'm sorry, so go ask your friends who watch anime) She smiled pleasantly and gave a bow.

「Now then, let me guide you to the room.....would you lend me your hand ? 」

Saying so, Kashima-chan grasped my hand.

With that alone, I already felt like dying.

「Ara..... ? your nails、you took care of them ? 」

「Y、Yeah ! It's just manly manner ! 」 (TN: Not 100% sure) 「Ufufu♥ such caring consideration、I love that you know ?

Now then、this way please♥」

Kashima-chan led me by the hand to a room inside the brothel.

In the room, there was an extravagant bed, a sideboard and a bathroom. The smell of perfume and my excited mood made my heart feel obscenity from myself.

「Excuse me.....I'll take care of your equipment okay ? 」

「Y、Yes ! 」

My equipment was taken off, just my inner body remained.

「You seem to have become tense.....is this your first time、coming to places like this ? 」

「N、No.....A、Actually.....it's my first time having sex.....」

It was no use trying to show off, so I confessed obediently.

「Maa~♥ Then、Kashima is going to be dear customer's first time♥」

「Y、Yes.....」

Kashima-chan let me sit down on the bed and lightly kissed my forehead.

「A.....」

「Relax, okay ? Ufufu、then、let's begin♥」

OK, to the Red-light district Part 2 ★ (A kiss and 30 cm)

Kashima-chan smiled deviously and brought her face closer.

「Is this also your first kiss ? 」

「Y、Yes.....」

「Ufufu.....since we can't kiss much during the play, we'll fully do it now okay ? 」

Kashima-chan said so and held my neck then pressed her lips against me.

「Nn.....Mchuu.....*kiss*.....*rero*.....*reroo*.....」 (TN: Tongue entwining sfx)
(Uoooooooo ! ! So sooooooooooft ! ! She smells good ! !)

I sat there and let Kashima-chan's tongue do its work, then timidly use my tongue to entwine hers.

「*kiss*.....Ufu♥ You can touch my chest you know ? *Muchuu*.....」

Because I got permission from Kashima-chan, I timidly rubbed her left breast through the uniform.

「Ahn♥ *kiss*.....*kiss*.....you can do it more intensely you know ? *reroo*.....」

Hearing so, I rubbed Kashima-chan's breast more violently.

(S、Soooft..... !)

The excitement from kissing and rubbing her chest made my penis erect.

「Ufu.....♥」 (TN: small chuckle)

Kashima-chan separated her face from mine.

「First of all.....I'll use my mouth okay ? 」

Saying so, Kashima-chan took off her uniform and unfastened her bra, only her panties and garter stocking were left.

(OOOOO ! !)

Kashima-chan's breasts were nice, she pressed her tiny pink nipples.
(TN: Actual sentence says they are "cherry blossom color") 「Excuse me okay ? 」

Kashima-chan knelt down in front of me, who was sitting on the bed, and undid the lower part of my clothes.

「Huge♥ Besides、it looks really healthy doesn't it ? 」

Kashima-chan poked my meat stick with a *chon*.

「Wah..... ! 」

「Ufu♥」 (TN: chuckle)

Kashima-chan smiled and grasped my 'son' then covered my glans with her soft lips.

「Nn.....*Muchuu*.....*reroo*.....*lick*.....♥」 (TN: Yep, tongue sfx again)
(OOOOO ! ! T、This is fellatio ! ! A、Amazing ! ! Feels good ! !)
(TN: This is spartaaaaa... ok I'm sorry)

Kashima-chan brought my meat stick deep into her mouth, her breath going up her throat hit my thing while her tongue entangled around it.

「Nn、*lick*、Nn、Nn、*suuck*.....if you need to come、you can let it out anytime you know ? *reroo*.....」

Because of Kashima-chan's intense fellatio on my first time, my limits were blown.

「A、Aaa ! N、No good、It's coming ! ! 」

「Nnmu ! !Nn.....*gulp*.....*gulp*.....」

At my vigorous ejaculation, Kashima-chan was surprised but soon recovered and gulped down all of my semen.

「Whew.....You let out so much♥ Was Kashima's fellatio good ? 」

「It、It's the best.....」

Being released from Kashima-chan's mouth、my son still stood towering.

「Maa~♥ Dear customer、It still looks very healthy♥ Then、I'll clean it up for you before we continue」

「P、Please do.....」

~~~~~  
~~~~~

Inside the bathroom, I stood there letting Kashima-chan wash my body.
Kashima-chan took off her panties and stocking, the both of us is now naked.

「～♪」

Kashima-chan washed my anus and my ‘son’ particularly carefully while humming.

When my anus was traced with a finger, it felt strange and ticklish.

「Then、please excuse me a little okay？ I’ll wash the inside♥」

Saying so, Kashima-chan put one finger into my anus.

「W、Wait！ T、That’s.....！」

「Please endure it～♥ because this is necessary」

Kashima-chan covered her finger with bubble and washed my ass.
It felt strange.

「There、this is good already♥ then let’s enter the hot bath～」

I felt like I lost something important as a man while entering the bath tub to wash away the bubble.

(TN: Not to sure about this)

Kashima-chan kissed my cheek many times whenever she had the chance.

「Then、before sex、would you please lie face-down on the bed？ With Kashima’s speical service, I’ll send you straight to heaven♥」

OK, to the Red-light district Part 3 ★ (Anal service, Caress)

TN: I'll change all the *rero* to *lick* from now on as they're basically same things.

I lied down on the bed while being nervous about what kind of special service it is.

Kashima-chan sat on my feet and patted my buttock.

「Dear customer、would you mind raising your butt and spread your leg a little？ Yes、like that」

I did as told and Kashima-chan traced my anus with a finger.

「Waah！ T、That's.....」

「Then、let's begin Kashima's special service♥」

Saying so, Kashima-chan crawled her tongue over my anus.

「Owao！ 」

Sensing the slimy crawling on my anus, the muscles along my spine jerked.

「*lick*.....*Mchu*.....*lick lick*.....Excuse me♥」

Kashima-chan reached down her hand and stroked my meat stick while licking my anus.

「Oo.....ou.....！ 」

「*lick*.....you're amazing♥ even though you just ejaculated earlier.....*lick*.....」

Kashima-chan didn't just licked the surface, but also stirred up inside the rectum.

At the same time serviced my meat stick and cornered me.

I was attacked with a never-known-before pleasant and reached my limits quickly.

「Aa！ N、No good！ It、It's coming out.....！ 」

「lick.....That's fine♥ Give Kishima's hand a lot okay? Muchuuuu.....」

With Kashima-chan's tongue skills hand hand movements, I reached climax and sprinkle a huge amount onto her hand.

「Amazing♥ You released so much.....♥ Nn、*sluurp*.....」

When I turned back and looked, Kashima-chan was holding out her hand and licked the semen.

.....is this girl an angel?

「You let out a lot、do you need to rest?Ara? 」

Kashima-chan reached towards my crotch and caress my son who was still standing gloriously.

「Dear customer、amazing isn't it.....well then、before having sex, would you mind making me wet first? 」

~~~~~  
~~~~~

Kashima-chan smiled while lying down to the bed.

「H、How should I do this.....? 」

I was confused having a defenseless woman body lying right before me.

「Do it as dear customer like to.....♥ My breasts and also here, please play with them to your heart's content okay? 」

At those words, I rubbed Kashima-chan's breast and pinched her nipple.

「Ahn♥ Nn.....feels good.....Ufu.....please take your time as I'm not running away.....」

(TN: Again, Ufu is a slight chuckle)

I rubbed Kashima-chan's breast and rolled her tiny pink nipple around with my tongue.

「Nn♥ Nn♥ Ufu♥ Feels good」

「Ka、Kashima-chan、it's ok to kiss you right? 」

「Nn.....It's no good.....I just rolled my tongue in your anus earlier.....the kiss

have to wait okay ? 」

「Is that so.....too bad」

I used the other hand to caress the other large beautiful breast.

「Nn、Aa、G、Good.....♥ Dear customeeer.....please also play with my vagina.....♥」

Saying so, Kashima-chan opened her crotch.

I had a strange excitement seeing the naked female body for the first time.

「Ufu♥ Is this your first time seeing a vagina ? 」

「A、Ah.....」

I saw female genitals on the internet before, but seeing it raw before my eyes like this is the first time.

Kashima-chan's pussy was adorned by thin silver pubic hair, her hot light red labia was leaking sparkling liquid.

「Lick it a lot okay..... ? 」

Those words moved my body as I jumped at Kashima-chan.

「Ahaah♥」

I mobilized all of the knowledge from AVs and rolled her clitoris with my tongue, at the same time stirred up her insides with a finger and rubbed her G-spot.

(TN: Adult Videos, just in case you didn't know lol) 「Aa ! Aa ! Aaa ! ! D、Dear customer.....you're skilled.....N、Nnnn ! ! 」

Kashima-chan twisted her back in pleasant as I continued to caress her pussy intensely.

「Aa、Aa、Aa ! ! No good ! Cumming ! It's coming out ! AAAAa ! ! 」

Kashima-chan's body twitched as she bent her back, her small vagina convulsed and blew a tide.

「A.....Ahaa.....♥ It was good.....♥」

I was happy to make a woman climax with my hand for the first time.

「Ufufu.....Then next is、 dear customer's virginity、 I'll take it okay? I'll make you feel very good in return for this♥」

「P.....Please take care of me」

OK, to the Red-light district Part 4 ★ (Virgin sex)

Kashima-chan's straddled me and rubbed her pussy on my glans.

「A、Aaa.....」

「Then、I'll put it in okay? Nnn.....」

Kashima-chan attached one hand to my meat stick and lowered her hip.

「U、Uwa.....!」

Her slimy vaginal walls swallowed my meat stick and tightened.

My heart throbbed violently as I felt a never-known-before sensation.

「Eii♥」

「A、Aaa!!」

I was shocked with Kashima-chan's sudden drop and connected us at her deepest part.

「Aah♥ It went in so deep.....Virginity has been lost, congratulations♥」

「S、Sorry.....Your insides.....I came a little inside you.....」

「Don't mind it, it's fine isn't it? I have a really great contraceptive pill for later」

「Great contraceptive drug?」

「Ehh、mixing laurel and mandrake together would do the trick, so rest assure and come lots inside me okay♥」

(TN: ええ、アオキノコとマンドラゴラを調合して出来る薬です、だから、いっぱい中出ししてもいいんですよ) Is there such a drug.....I'll try making some later.

「What's wrong? You came lots already, how about taking a break.....A、Ara?」

Kashima-chan noticed my penis inside her became hard again.

「You're amazing、dear customer.....you just came 3 times and yet.....then let's go another round.....I'll start moving♥」

Kashima-chan embraced me and started to move her hip up and down. I felt like I would ejaculate again immediately because of excessive pleasant, but it was too shameful so I clutched my buttock tightly and endured it.

「Aa♥ Nn♥ Nn♥ It、It's fine to not endure it you know? There's still lots of time before the night ended.....so just come、Nn♥ Ufufu♥ lots inside Kashima♥」

「Even if you say so.....the pride of a man.....Nn、*churu*.....」(TN: ちゅるっ is probably the sfx of him grabbing her boob) I grabbed Kashima-chan beautiful breasts to avert my attention from wanting to cum.

「Ahaa♥ Mou ! You like teasing me don't you? Nnn♥ Ufufu♥ This naughty kid must be punished, Eii♥」(TN: heave-ho!) Kashima-chan tightened her vagina and grind my dick violently.

「U、Uwaaa ! ! 」

I quickly succumbed to the pleasant and released a large amount inside Kashima-chan's pussy again.

「Nn.....you just released and yet it's still hard.....then Kashima would have to squeeze you dry to the very last drop♥」

「P、Please go easy on me.....」

~~~~~  
~~~~~

After that, we changed to various position and enjoyed each other's body, I pounded Kashima-chan's hard and came 9 times inside her pussy, Kashima-chan also reached her limit at the end of the night.

「HaaHaa.....C、Cumming again ! Kashima-chan ! ! 」

「Aa♥ Aa♥ Aa♥ Ka、Kashima's cumming too~~~ ! ! Aaaaa ! ! 」

While grabbing her breasts to support her body, I pounded Kashima-chan and released my semen inside her as Kashima-chan's vagina tightened and convulsed.

「HaaHaa.....It、It's my limit.....」

I pulled the dick that has lost all of its power out from Kashima-chan's vagina and lied flat down on the bed.

「Haa.....Haa.....Dear customer.....you're amazing.....♥ How was Kashima's body? 」

「It、It was the best.....」

「Ufufu♥ We're going to take a break? 」

「Right.....I used up all my strength.....」

「Then、Kashima will wake you up in the morning okay? 」

「Yes.....please.....」

I went to sleep being wrapped in the odor of sex from me and Kashima-chan.

OK, to the Red-light district Part 5 ★ (Lying down titsjob, Urine drinking)

—————Chuu、Muchuu—————

I slowly woke up from my slumber and felt my lower part being wrapped up in something warm and pleasant.

———*kiss*、Ufufu♥ lick———

「U、Uun.....」

I rubbed my heavy eyes、and lifted my eyelid、Kashima-chan sandwiched my penis in her breasts and was doing tits fellatio. (TN: Paizurifera) 「Hmm♥ *boing*、*tits rubbing sfx*.....」

「Ka、Kashima-chan、What is this.....」

「Ufufu♥ lick.....Good morning♥ You seemed to wake up being energetic again、I already had breakfast♥ Nn、*tits rubbing sfx again*.....」

「U、Uwaaa ! ! 」

Being attack my Kashima-chan's vacuum first thing in the morning quickly made me reach my limits.

「Nn ! Ufu♥ I'll clean it up okay ? lick、*sluuurp*.....」

Having my meat stick rubbed first thing in the morning after ejaculating made the urge to urinate welled up inside me.

「Ka、Kashima-chan ! I need to go to the toilet ! If this continues I'll urinate ! 」

「Hnn ? Ish fine isn't it ? like dish (this).....Nn、*suck*.....♥」
(TN: Omfg... I swear half of my brain cells died at this, she was talking with a dick in her mouth again, but with heroic effort I deciphered it nicely) 「Aa ! No good ! It's coming ! It's going out ! ! 」

Kashima-chan held my cock inside her mouth carefully while I released all the urine.

「Mugu、*gulp*、*gulp*♥」

Surprisingly, Kashima-chan gulped down all my urine.
After taking all of my piss and gulped it down, Kashima-chan’s mouth left my dick
and she had a sweet smile on her face.

「Nn、you’re good now right♥」

Seeing the devoted Kashima-chan having an obscene smile on her face, my
groins reacted.

「.....because of Kashima-chan it stood up again.....」

「Ufu♥ That’s good isn’t it？ There’s still lots of time, please enjoy yourself♥」

In the end, I ejaculated two more times inside Kashima-chan’s pussy before a
store’s staff announced the end of time.

~~~~~  
~~~~~

「Come pick me again okay♥ strong people like dear customer、you are always
welcome♥」

Kashima-chan accompanied me to outside the shop.
She kissed me on the cheek as we parted ways.

I walked away in the Red-light district with the reverberation of losing my
virginity.
Though this is inside a game, the world seems somewhat different. (TN: Different
from a game world) (If there wasn’t the anal play we could have kissed a lot
during sex.....)

That reminds me, a night has passed in this world, then how’s the time of the
outside world？

I returned to my home in Elna village with the lingering happy memories, sat
down on the bed, operated the 3PS console in my head and returned to the real
world.

~~~~~  
~~~~~

When I returned to my room and looked at the clock, not even one minute has passed since I dove into the game.

(You can experience everything in the game in just an instant ?)

No、a whole day could have passed、you never know.

I went down to the living room and picked up a news paper on the desk next to where mom was watching the TV.

The date of when I went into the game has not changed.

「.....Hey、mom、is this today's newspaper ? 」

「Yeah.....that's right.....it'll be Monday soon anyway.....Hmm ? you、what's with the sudden change in your aura ? 」

「N、No、Nothing's wrong with my aura right..... ? 」

「No、you seem to have become more like an adult.....did something happen ? 」

「.....It's nothing、I've only been studying」

「Hmm.....then that's fine.....」

I was astounded by the sharp perception of the existence called 'mom'.

I'm sorry、mom、but、I bought a prostitute、lost my virginity、and kept having sex all night.

I came back to my room, hopped on my bed and quickly fell asleep.

It was so good to sleep while feeling so refreshed.

From tomorrow on, I'll experiment on this game more in various ways.....。

The mysterious old man

School started at the beginning of the week.....。

After the release of Dorahan, the atmosphere at school has clearly been split into two halves. (TN: Reminder, Dorahan is for short of Dragon Hunter Cross) The first, is the group that spend time to study for exam.

The other group is the one that quietly raised the talk about Dorahan.

One would be dropped out from school’s ranking board if they don’t reach the grade of A, but I myself if study properly, it wouldn’t be a problem so I belong to the faction that play Dorahan.

Where have I got to in the game is the topic of every tea break now.

.....by no means, people would believe I’ve experienced such thing in the game.

I paid little attention to the classes as I was only remembering about Kashima-chan’s body, I wished classes to come to and end quickly.

.....I’ll go in there and have sex with that angel Kashima-chan once again.....。

When the bell rang, I swiftly gathered my stuff and dashed out of the class in a hurry.

「I’m leaving first ! ! 」

「Y、Yeah.....」

「 ? That guy、what’s with those legs、 he’s fast isn’t he ? 」

~~~~~

~~~~~

As I was dashing home, my field of vision caught the figure of a familiar person, so I quickly crossed the pedestrian bridge and stood in front of him.

「O、Ojiisan ! ! 」 (TN: Uncle-san)

「Oh、it’s you」

The mysterious old man that gave me the 3PS and Dorahan was sitting casually in his wheelchair.

「T.....That game, what on earth is it ! ?
Un.....Un.....Unbelievable ! 」

「Ho ho ho、making that face、means that you had fun didn't you ?」

The old man laughed shaking his shoulder.

「That's.....um.....That's right.....but、what on earth..... ? 」

「Ma~、don't be so hasty、can you push the wheelchair ?
We'll slowly talk along the way」

「Y、Yeah.....」

I went to behind him and pushed the wheelchair slowly.

~~~~~  
~~~~~

「Those things、It's a price to pay back the 『Sincerity』you have shown」

The old man said so while being shaken in the wheelchair.

「The price.....for that.....」

That's too much for a return gift.

「You don't like it ? The thing shouldn't harm you in anyway...」

「.....」

Indeed、Dorahan was developed with no Game Over concept、and the protagonist dying is just all the more out of questions.
There's only a rule called "Quest Fail" when you uses up all your strength 3 times.
It's equal to 'Death Penalty' in other games.

「Because I handed you that game、you should be able to fully enjoy it」

「That's.....fine.....but、what I did for you wasn't that great, was it ?
It was just an ordinary thing.....um、honestly、I don't know what's so good about it.....」

(TN: Not entirely sure on this one)

The old man shook his shoulder and laughed again.

「Your 『Sincerity』 is only a trigger.....this is just something on a whim」

「On a whim.....is it.....？」

「You're still a student、what do you think？ You used to have the sense of stagnation right？」

「That's, well.....it would be a lie if I said there wasn't any.....」

「Because we live in such a stiff world、even if one has good eye for people、the punishment would still be there right？」

(TN: I give up on this one, not going to make it makes more sense...) 「Oh.....」

It was a strange logic that I didn't understand at all.

「And you、you don't really need to worry about such risk.

If you like it, you should enjoy it」

「To enjoy.....as I like.....」

「That's right、yep、oh there we are、we have arrived.

Here、you'll be able to hear more about your game、they are more knowledgeable than me」

There、a common antique shop was before my eyes.

「Ayakido.....？」

The old man disappeared along with his wheelchair all of a sudden again.

「Wha.....What kind of person.....is that old man.....？」

Ayakidou

I timidly opened the door of this 「Ayakido」 place and entered the dusky shop.

「E、Excuse m—e.....」

I tried as much as I can not to touch anything、the owner of the shop seems to be an old man in summer kimono、he had glasses on.

Yeah、a high school student isn't suitable for an antique shop、but I have things I want to hear in this place.

「Um.....regarding a game、I have something to ask.....」

As soon as he heard that、the owner broke into a broad smile.

「Ah、you、you're the one his highness came to a liking and handed a game」

「His highness？」

That old man、is he an important person？

「Ah no、let's not talk about that.

You have something to ask right？」

The owner recommended a chair and brought out coffee.

「Um.....that game、where did it come from？」

「Hmm.....」

The owner tapped the table with his finger and thought about something.

「It's something like 『Things you do not need to know』 like.....for example、a car should be able to run even if I don't know its structure、you can still drive it without knowing what's inside the car right？」

And about the game、it's like a 『Things unnecessary to know』 thing」

「O、Oh.....」

Somehow、my intuition talked to me.

It says that this matter should not be dug into.

「By the way、that game.....」

「Hmm？」

Because I actually played the game, I had something to ask that owner.

That game、aside from the normal contents、I could even go to the base of the online version of that game.

A few specific equipment in Bjolde can't be used in Dorahan, and the Hunter Rank too, it isn't shared between the offline and the online version.

In other words、only items such as a part of an equipment can be commonly possessed when there are two versions present at the same time.

(TN: I tried my utter best...)

「Nah、that's when you do multiplayer, if you play solo then it's possible to possess stuff from both version.

But as expected、playing it online makes the gender selection troublesome、that's an inconvenience am I right?」

The store keeper said so casually.

An unbelievable story.

3PS isn't the platform compatible for the Online version.

At the moment、3PS shouldn't be able to handle the Online version of the game.

「The online version should be a monthly subscription.....」

「Hmm？ Would you like to know about the billing？ Because I set it to charge with in-game gold so it should be fine.

I'll teach you another way of doing it later」

「In-game gold charging！？」

I can't believe it.....if that's possible、then even if its a huge amount it should also be OK.

「Ma~、the way of a serpent is tricky. (TN: 蛇の道は蛇ってね)

For now、it should be a secret to others、as it's an irregular way okay？」

I can't say anything about that.

If this is true, I'm having the privilege to play the expensive Dragon Hunter

Online unlimited for free of charge.

It takes time to play Dorahan Online, but as long as I'm inside the game, I can play instantly.

If the storekeeper is telling the truth、for example when you fight a low-rank monster、even G-grade weapons can be used in the offline version.

(TN: それに店主の話が本当なら、ソロに限ってプレイすれば、例えば、下位のティーチャー・コックを1分も経たずに沈める事が出来るような化け物じみたG級武器を、ドラハンクロス側でも使える事になる。I give up) I have a strange feeling that I've become a cheater.

「Then、I have one warning for you」

「？」

「Even though you may have dove into the game、but do note that reality and the game world are related matters that would interfere with each other」

「Eh？」

「For an instance、you've already had the same physique of the hunter in the game」

「P、Please wait a moment、that's stupid.....」

「No、that's the truth.....if you would die in a collision with a truck, then a big scary monster with the same degree of damage would kill you while you're inside the game」

(TN: This is another nerve racking one... I tried my best to phrase that)

「That's.....stupid.....」

「Did you not realize it？ Your own ability has been reflected into the game」

「.....」

That reminds me、I could ejaculate as many time in the game as in reality.

「Therefore、be careful OK？」

Because right now you can kill a human with the same power of killing a small monster」

「Y、Yeah.....」

What I got out from the conversation in the end was how to do the monthly charging and some advice from the shop owner.

「I also deal with other games, so when you're tired of Dorahan you can come again.

But that time, there will be a price as it is real business」

「You can also go into different games ! ? 」

「Yup、but there's also limit to it you know」

「No.....I'll ask about that later as I'm currently busy with Dorahan」

「Is that so ?

Then、I hope you have a good hunter life」

「Thank you.....」

Though I had a feeling I just became the member of an evil doers organization, I left Ayakido with a strange sensation and headed home.

Aside from the difficult things, tonight I'll make sure to do women to my heart's content.....。

Health Fashion 「Bubble Mix」

It's so easy to make money in Dorahan、to the point that even if the monthly charge was plenty I'm still able to afford easily.
But、the one I want to play is Dragon Hunter Cross, not the online version.
Even if now I take care of the equipment and do women at the same time, gold is still plenty.

Then I referred to information on the internet and downloaded an Event Quest that's good for beginner money raising, and decided to quickly do online battles.

As for this Event Quest, it's collaboration quests with famous characters, but if the quest is cleared and the obtained materials get to my hands, the taste of doing quests won't be there anymore. (TN: I have no idea what's going on in this sentence, so many shortened terms in katakana) If this quest is cleared、a material called Silver Eggs can be obtained、each of these sells for 10,000 gold.

I worked hard on this quest and obtained 300,000 gold as a make-shift fund.
I temporarily stopped playing there、finished studying、went to take a bath and fixed my appearance、then I went into the game to meet Kashima-chan.

~~~~~  
~~~~~

「Eh ? Kashima-chan isn't available ! ? 」
I talked to the barker of 「Dragon Brothel」and obtained a disappointing news.
「I'm sorry、dear customer.....Kashima-chan has an appointment today.....
she's very popular after all.
What would you do ? Do you want another girl ? 」
「Hmm、please wait a moment、I'm thinking about this.....」

According to the owner of Ayakido, time inside the game seems to flow all day long if I do questing from the world outside.
Naturally、this is space and time in an animated game、so I won't age or become old.

That said、I should invest time in questing until Kashima-chan is available again.....。

I went into the game with the intention to do a woman.
I don't want any of these troublesome tasks, I just want to ejaculate.

That's right、not only 「Dragon Brothel」 offers sex service.

In this case、I should go experience other services.
If I'm not mistaken、this red-light district also has Fashion Health. (TN: Prostitution in the form of Massage Salon) 「I'll go to a different shop.
When Kashima-chan is available I'll come back OK?」

「Yes、we look forward to your patronage」

~~~~~  
~~~~~

I talked to the barker of Health Fashion 「Bubble Mix」and decided a course.
Though the price seems to change depends on time、I chose the longest course of 150 minutes、and paid 2,500 gold.

The barker showed me the album、I decided to choose something different than Kashima-chan、Freya-chan caught my eyes、she has short hair and rather than a beauty, one would say she's lovely. (TN: Also tried my best T-T...) After the negotiation, I was led to the waiting room.

Everybody was also waiting、but a unique atmosphere seemed to be flowing.

A customer was called in、and before long it was finally my turn.

「Freya-san is ready for your service, this way please」

Urged by the clerk、I left the waiting room、there was a short orange haired girl、she stood there cheerfully with her eyes wide opened. (TN: Not sure if her eyes are just big or was she surprised) 「I'm Freya、best regards♪」

「B、Best regards.....」

「Now、shall we go to the room? 」

Freya-chan clung to my arm、we went up stairs and entered a room.

There were a simple bed and a sideboard inside the room、and then、there

was also a mat made from sponge lying next to the bath tub.

「Now、I'll take off your clothes okay～♪」

「A、Ah.....」

My armor and inner clothes were taken off by Freya-chan, I became naked.

「Please sit on the bed okay？wow」

Freya-chan let me sit on the bed and rolled up the towel around my hip to my waist, my fully erect penis stood up.

「Do you want a drink？ Either tea or alcohol is okay」

「A.....Then I'll have some tea」

Freya-chan poured tea into a cup and put it on a table on the side of the bed. Sipping the tea、I smelled a faint fragrance of herb.

「Wait a moment okay？ I'll take off my clothes」

Freya-chan took off her thin black negligee, removed her bra and sat down next to me.

Freya-chan breasts were larger than Kashima-chan, her nipples are beige color and her areola is slightly large.

Her style is good、her big breasts showed it.

「Hee～、you stared at my boobs too much, you perv♪」

Freya-chan said so openheartedly.

I should also be able to say something cool.....。

「Ne～、is this your first time here？ Why did you come here？ 」

I was troubled as of how to answer, but decided to speak honestly after all.

「My favorite girl in Dragon Brothel wasn't available.....I was somewhat hesitant to pick another girl and.....I thought it's also good to try out Health Fashion」 (TN: Again, Health Fashion is prostitution in form of Massage Salon)

「Hmm.....Ne～、who's that favorite girl of yours？ 」

「E、Eto.....Kashima-chan」

「T.....That girl reputation is good huh...

How was it to embrace her ? 」

「What do you mean.....it was great」

「Heh~.....」

Freya-chan seemed to be lost in thoughts、 then suddenly turned to kiss me and poked her tongue in.

「Hnn ! ?*kiss*.....*tongue rolling sfx*.....」

I was surprised、 but soon also entwined my tongue、 then slightly rubbed her chest.

「*kiss*.....*lick*.....Ufu♪ Since you took the trouble to come here, I'll give you a service Dragon Brothel doesn't offer okay ? 」

「W、 What kind of service ? 」

「Mat play♪」

Freya-chan said so and smiled sweetly.

Health Fashion 「Bubble Mix」Part 2 ★ (Mat play, Intercrural sex)

Freya-chan took off her panties、led me to the bathroom、then let me sit down on the so-called “Perv Chair”.

「Then sit still、I'll wash your body okay？」

「G、Got it.....」

Freya-chan bubbled the soap、then washed my ‘son’ and my anus thoroughly. According to the owner of Ayakido、there doesn't seem to be venereal disease in the game.

But after all、other diseases are still scary if I don't keep it clean.

Aside from that、the hand that washed my anus through the Perv Chair、also my balls and my meat stick feels good. (TN: I think the chair has a hole) 「Amazing ~、it seems to ejaculate anytime soon♪」

「May.....Maybe.....」

Then、Freya-chan stopped her hand.

「But、at our shop if you ejaculate once then the course is over、so be careful okay？」

「Eh？ Is it so？」

I closed my buttocks tightly by accident.

「Right right♪ That's if you don't endure it～♪now、we're done with the washing, let's rinse off the bubble okay？」

Hot water was poured on me、and the bubbles are all washed away.

「Now then、I'll set up the mat、so wait in the bath okay？」

I was told to get in the tub and warm my body up.

Freya-chan mix the water with something slimy、then quickly stirred the mixture up.

When I looked at it with interest, Freya-chan laughed and explained: 「Are you

interested in this ? Mixing Tama Fox's synovial fluid with Heart-beat Mushroom would create this lotion.

The hunters usually sell these for pocket money」

「Heeh.....」

「Yup、is this much OK..... then customer-san、can you lie face-down on the mat ?

It's slippery so watch your step」

I put down a towel in replacement of the pillow and lied down as told.

「Now then、Excuse me~♪」

「.....Ooh.....」

Lotion was poured onto my back、I let out a breath unintentionally.

Freya-chan spread the lotion on my back、then further spread it to my chest and my whole body、I was covered in lotion.

「.....Good.....Feels good.....」

「Ufufu、I'll move okay ? 」

Freya-chan pressed her chest onto my back、then started moving with *boing boing*.

That way my back received a rain of kisses.

「*kiss*.....*Mchu*.....*kiss*.....*kiss*.....though I'll play with it、don't come yet okay ? 」

Saying so、she reached down to my crotch、then stroked my meat stick. I tried to endure it、so that I wouldn't accidentally come.

「Amazing isn't it.....it's really hard.....is this your first time trying this.....okay、please turn around、we'll do your front now alright ? 」

Freya-chan helped me turned over.

「Ufufu.....♪」

Freya-chan kissed me、and while doing so、she extended the lotion on my body with her big breasts.

「Uu.....」

My 'son' was rubbed intensely with Freya-chan's belly、I would come anytime if I lost my focus.

「You can let it out if you want you know ? Then、excuse me~♪」

Freya-chan moved to the lower half of my body while saying so、she picked up my meat stick、sandwiched it between her breasts、then started paizuri with her breasts and mouth.

「Nmum、*suck*.....*lick*.....*lick lick*.....*suuck*.....」

「Uh.....Kuu..... ! 」

The comfort from being wrapped warmly aside、the slimy lotion added up to it and cornered me.

I grind my teeth and endured the pleasure.

If there wasn't the experience with Kashima-chan beforehand、I would have surrendered since long.

「Nn、try your best okay.....*suuck*.....*lick*、*liiick*.....」 (TN: Ganbaru ne!)
After a while、I didn't ejaculate、so Freya-chan released my dick from her mouth.
I let out a breath of relief.

「You tried your best、customer-san.
Then、now is the coup de grace♪」

「C、Coup de grace ? 」

「Yup、Inter. Crural. Sex♪」 (TN: indirect)

Saying so Freya-chan slipped her body and sat on my meat stick、then she extended a hand to apply lotion on the underside of my penis.

「Now then、I'll move♪」

Under such condition when Freya-chan moved、my penis was rubbed between the entrance of her vagina and her hand、it created an illusion that it was actually inside the vagina.

「Nn♪ Nn♪ Nn♪ Customer-san、amazing.....rubbing it like this、even I'm starting to feel it.....♪」

「Wa、we can't put it in can we ? I almost put it in.....」

「Nn♪ it's intercrural sex、you can't put it in.....Aa ! 」

When Freya-chan raised a wild voice、my dick suddenly entered the hot vagina.

「Nn、Sorry sorry、I got caught up doing it so intensely that it entered accidentally.....」

Saying so, she took out the meat stick from her vagina.

「It's better if you just leave it inside.....」

When I expressed my honest thought、Freya-chan laughed lightly.

「That's no good、I didn't prepare contraceptive drugs.....this shop prohibit real sex、understood ? 」

「Ye—s」

(TN: HAHAHA poor guy omg...)

When I nodded Freya-chan smiled、then started moving intensely again.
I accidentally entered her vagina 2 to 3 times already、but Freya-chan took it out without being upset and continued intercrural sex.

「Nn♪ Nn♪ So ? Is it good ? Nn♪」

「Ack.....No.....No good.....C、Cumming ! 」

I was cornered with Freya-chan's intercrural sex、I couldn't endure anymore and ejaculated on Freya-chan's hand.

「Uwa.....amazing.....you came a lot♪」

「Uu.....I really came.....even though I registered for a really long course.....」

「Ara.....though you came、it's still standing up ? 」

Freya-chan touched my still towering penis、lightly laughed、then kissed me.

「*chu*.....*kiss*.....Heey~、since it didn't lose power、we'll do it again okay ? 」

「Eh.....is that alright ? 」

「We'll keep it a secret、since this bad boy is still very energetic♪」

Freya-chan then washed away the lotion、 and led me to bed.

Health Fashion 「Bubble Mix」Part 3 ★ (6 9)

Freya-chan wrapped my lower body with a towel、then covered herself with a towel also、she sat down on the bed and offered me tea.

I took a breath and relieved my thirsty throat.

Freya-chan with the bath towel around her body leaned on me and touched her thigh onto me、then patted my energetic penis under the bath towel、then poked her hand into the towel and played with my balls.

「Amazing.....you came so much、yet it's still erect.....♪ Is it always like this ? 」

「Ah.....I'm always in trouble because of this guy」

Freya-chan laughed lightly、her laugh was whispering into my ears.

「Hey.....What kind of play do you want ? Other than real sex、I do service as request to some extent♪」

「Let's see.....though I really want to ejaculate、I also want Freya-chan to feel good」

「Then、let's lick each other♪」

Saying so、Freya-chan took off the towel and revealed her nice body.

「Then、can you lie face up ? 」

I also took off the towel、lied down and pointed my 'son' towards the sky.

「Yup.....It's indeed amazing♪ Then、excuse me.....」

Saying so、Freya-chan turned to the opposite direction、put her legs under my arms、grasped my penis、and lowered her vagina to my face.

「Nn.....*suck*.....you can do as you like you know ?*lick*.....」

At first I observed the vagina in front of me、at the same time felt Freya-chan's fellatio.

Orange pubic hair of moderate quantity grow to the inguinal part and gathered at the labia with the contrast of the beige slightly dark-ish color. The clitoris wasn't too big、it's already peeled out from the hood and is now put

out towards my face.

It's already soaked wet、was it because of the intercrural sex、or was it because of her washing the lotion away.

After carefully observed her vagina、I closed up to it、and licked it intensely、Freya-chan's pussy was tasted.

「Nn♪ Good♪*suck*.....*lick*.....*lick*.....」

That way、we made each other feel good for a while.

When I turned my tongue and lick all across the vagina、Freya-chan twitched her waist and increased her stroke on my penis, I counterattacked with more intense tongue techniques.

「Nn♪ Mmm♪ Nn♪ *suck*.....*lick*.....*lick* *SUCK*.....」 (TN: She made a big suck like you suddenly take the lolipop out of your mouth while sucking on it)
When the urge to come assaulted me、Freya-chan's love nectar also got more plenty、I also had a man's pride、I beat her pussy up tensely.

「Is it fine.....to use my finger ? 」

「Mmm、*suck*、Nn、It's okay.....*lick*.....」

I put two fingers into her vagina、I moved my finger imitating the movement of a hermit crab、I stimulated her G-spot、I stuck to the clitoris at the same time and rolled it around with my tongue.

「Hmm ! ? Aaa ! S、So good ! ! Nn ! *suck*、*SUCK*.....」

Freya-chan stuck to my penis to counterattack、but soon fell before my attacks、her vagina convulsed and tighted.

「Aa♪ Aaa♪ Cumming ! C、Cumiiiiiiiiiiiiiiiiing~~~~~ ! ! 」

After convulsing strongly、Freya-chan let her body leaned onto me and breathed heavily.

She wasn't heavy、rather, the warmth of her body feels good.

「Haa.....Haa.....It、It felt amazing.....♥ Mm、*suuck*.....」

Having fixed her breathing, Freya-chan resumed her fellatio.
No need to endure anymore.

I ejaculated with full force into Freya-chan mouth、at the same time、licked her hot vagina.

「Mmff ! ? Mmm.....*suck*.....*gulp*.....*gulp*.....」

I heard the sound of sperm being swallow coming from my crotch.

「Pufwaa ! Amazing.....this is the second time and yet it's still so much.....」

「It was really pleasant、Freya-chan」

「Ufufu♪ Thanks♪ But、I didn't think I would come earlier.....customer-san、you're skilled aren't you ? 」

「Is that so ? 」

「Customer-san is such a lady killer」

Thank you、the world of AV.

I was able to pull this off because I studied with efforts.

Freya-chan gently serviced my penis after ejaculation.

「Ara..... ? it's still energetic.....very well、I'll squeeze it to the very last drop♪」

「We're doing 69 again ? 」

「Ahaha.....you could endure fellatio right ? But I couldn't endure that one」

Then Freya-chan buried her face into my crotch and I came two more times inside her mouth.

~~~~~  
~~~~~

「Haa.....haa.....T、This cock、unbelievable.....it seems to still be good for more.....」

Freya-chan while panting、held my cock and thought about what to do with it.

「.....Customer-san、can you add 500 gold ? 」

「.....I can, but.....」

「If it came down to this、how about we secretly use contraceptive drug、and do actual sex ? 」

「Eh ? I、Is that fine..... ? 」

「It's a secret okay ? Now then.....」

When Freya-chan said so、the chime of the room rang、I instinctively became frightened.

「Ara、time's up」

「Eh、time's already up.....」

Freya-chan clung to me and embraced me.

「Customer-san、next time you call me、bring the extra gold for birth control okay ?

I'll make this bad boy satisfied in real sex next time♪」

「Is it OK ? 」

「This energetic cock、I also want to taste it.....promise ? 」

「Y、Yeah ! 」

With that、I had Freya-chan put my equipment back on、and went back out to the reception.

「Then、please pick me again～♪」

I waved my hand to the carefree Freya-chan、then left 「Bubble Mix」.
Well、it felt good、but just 4 times couldn't satisfy me、I still have this feeling of imperfection.

I felt like shouting out loud that I want to ejaculate more.

Then a pink sign board entered my eyes、 「Pink Salon Aokinoko」.
(TN: Aokinoko in my limited knowledge is Blue Mushroom, but I'm suspicious about it being "Ao" not "Aoi" which is adjective for blue, so... I'll just leave that alone) Pink Salon.....in this mood of wanting a dessert、let's go there !
(TN: quick reminder, pink salon is a massage parlor)

Pink Salon 「Aokinoko」 ★ (Pyuti-chan, Elenor-san)

So guys, this blog is only for this one WN, I'll be TL-ing/writing my own original shits on another personal blog [here](#).

After this project is done, I'll do everything over [there](#).

Again, this is the unedited version. The final polished version will be on Raising The Dead.

Though I have come to this shop once by playing the game, this is the first time I came in person.

That's why I negotiated with the barker.

Regardless, there seemed to be 40 minute-course and 70 minute-petal rotation course.

(TN: I did my SERIOUS research and learned that Petal Rotation is a course where multiple girls came one by one in turn to your service. Now, where can I buy this game? I'm willing to go hunt some dragons right now...)

I did not hesitate to pick the petal rotation course and paid 1200 gold.

I was not given the Portrait Book of the girls in Aokinoko. Apparently, at a Pink Salon, looking at the girls' face before picking one isn't possible.

I'm worried of stepping on a landmine, but that's that.

I was guided by a clerk into a dim lit floor where the lights were held to minimum.

The sofas were lined up in 2 rows, customers could be seen enjoying their own plays.

The clerk guided me to one sofa and confirmed my order for drinks. I ordered tea, the clerk left for a moment and came back to prepare a cup of tea on the small table before me.

「Then、please wait until the girl comes over」

The clerk said so and left. I took a sip of tea while stealing some side glances

towards the neighboring sofas.

A girl burying her face into a middle-aged man's crotch was moving her head up and down. A well done rhythm fellatio it seems.
The customer seemed to be enduring from ejaculating as he looked to the ceiling with flapping mouth grasps.

Though I knew that these kinds of things are to be expected at a Pink Salon, but seeing the other customers like this made my heart pound and the atmosphere turns dubious.

Meanwhile, a girl came up to my sofa.

「Welcome～、Pyuti de～su、please take care of me～」

(TN: I thought it was Beauty... but the first letter was P so I left it like that) She wrapped her body in a red negligee-like dress, her hair were brown and her eyes looked happy. (TN: So on this one, her eyes are either flashy or gay, not homo gay, but gay that means happy...)

The girl wasn't beautiful, she wasn't ugly either. Average face with average figure, a normal girl it is.

When Pyuti-chan sat down on the sofa, the clerk brought her a drink and left.

「Customer-san、is this your first time here？」

「Ah.....No、I came here once but I wasn't able to enjoy the atmosphere.....so I came back again this time」

「Was it also a petal rotation course？」

「No、it was just a single girl」

「Hm～m、who was that girl？」

「E～to.....was it Papillion-chan？」

「Is that so～、Papillion-san is busy with a customer right now、so it's impossible to call her I think？ Hora、over there」

(TN: This one's exactly like "Maa", not in terms of meaning, but in terms of usage. English won't have anything that can be on the same standard with this... I think) When I looked to the inner corner of the place where Pyuti-chan pointed, Papillion-chan's figure could be seen doing fellatio.

「Today Petal Rotation's time for each girl is short～、so let's begin okay？」

Pyuti-chan took off her panties and hung it at her ankle while taking off her shoulder strap to reveal her skin, then she clung to me and kissed me.

「*chuu*、*mchu*.....Ufu♪、you can touch me you know～？」

I devoured her lips while rubbing the somewhat small chest, while my other hand slid into her secret place and played with her pussy.

「Ahn♪ Ufufu♪ Then、there's not much time so、would you mind stripping your lower half？」

I did as told and pulled my pants down to my ankles exposing my towering penis.

「Ama～zing、it's already hard～♪ then please excuse～me」

Saying so, Pyuti-chan sat down next to me and pushed me upper body back against the sofa, then buried her face into my crotch and inserted my meat stick into her mouth.

「Nn *drool* ! *suck* ! *drool* ! 」

Pyuti-chan's intense fellatio created indecent sounds that resounded the place, she didn't use her tongue too much, but tortured my thing with her lips.

(Fellatio like this is also really good huh.....)

I sat as is, but Pyuti-chan seemed to be uncomfortable in this posture as she climbed on the sofa and continued the fellatio side-way. (TN: Editor-san... tasuketeeeeee) While giving me intense fellatio on all fours on the sofa, Pyuti-chan's plump ass was swinging around.

「.....your pussy、can I touch it？」

(TN: OMFG LOL)

「Nn ! *drool* ! Un、that's fine、*suck* ! 」

I reached my hands across her butt and gently stroked her pussy, sometimes Pyuti-chan's lower back twitched a little but the intense fellatio never stopped.

Because in this posture, I couldn't play with the pussy too much, at most gently stroking it, so I stopped and focused on Pyuti-chan's fellatio.

「*drool ! drool ! slurp !*」

This time I don't need to hold it in, so I ejaculated to my heart's content in Pyuti-chan's mouth.

「Nmu ! *slurp.....*gulp*.....*gulp gulp*.....*」

Pyuti-chan gulped down all my semen, removed my penis from her mouth and smiled.

「My turn ended here～。Well then、the next girl will come shortly、just leave your clothes like that and wait okay～？」

Saying so, Pyuti-chan put her dress back on, sipped a drink and left.

I sat and waited with my lower half exposed and my penis still erect. This time, a Queen-like lady with long black hair and black negligee came up to me.

「Good evening、Elenor desu～.....Ara、I heard that you just came、and yet it's still good to go isn't it？」

Saying so, Elenor-san sat down next to me, I finished the drink and reached out to embrace her, but my hand was slightly brushed away.

「Sorry... I dislike being touched.....but instead、I'll make you feel really good with my mouth.....fellatio is my specialty」

That being said, Elenor-san knelt in front of me and began her fellatio immediately.

「Nn.....*slurp.....*lick*.....slurp.....*」

Only one thing can be said about this, Elenor-san's fellatio was wonderful. She sucks with her lips, makes good use of her tongue techniques, and twist it when it goes into her mouth, this is what they called "Tornado Fellatio".

「Uu、Uuu !」

I got cornered in a blink of an eye and ejaculated lots in Elenor-san's mouth.

「Nmu.....*sluorp*.....*gulp gulp*.....*lick*.....regardless of your appearance、you sure released a lot、I like that」

I don't know about that, but it seems like I am being liked.

「Well then、the next girl will come soon.....there should be enough time for the third girl」

The fellatio was indeed wonderful, but somehow, she's a hard to understand person.

And then, the next girl came.

「Good evening、Rachel desu~、please treat me well okay？」

This time is a polite girl with pink hair and her style was idol-like.
Timewise, this girl would be the last, I'll ejaculate to my heart's content.

Pink Salon 「Aokinoko」 ★ Part 2 (Rachel-chan)

Welp this is embarrassing, but I ran into trouble managing the other blog I mentioned yesterday...

So to those of you who clicked it and it didn't work... sorry It won't be available for now.

「You already came 2 times、are you still good to go ?
Then let's get started as there's not much time left、I'm already the last one」

Saying so Rachel-chan took off her pink negligee and her panties, tied it at her ankle and clung to me with kisses.

「Nn.....chuu.....」

I rubbed her chest while kissing, Rachel-chan's body shivered slightly.

「Nn ! Nnn♥」

(Hn..... ? She's really sensitive isn't she ?)

「I、I'm sorry、then、I'll put it in my mouth right away okay ? 」

Saying so Rachel-chan got down to all fours side-way on the sofa and slowly put my penis into her mouth.

「Nn.....Mchu.....*suck*.....*lick*.....」

(Oh、this is.....)

Rachel-chan's fellatio wasn't intense, it's the so called Vacuum Fellatio, she sucked on my meat stick strongly with her mouth while slightly moving her tongue, my glans also got tortured intensely.

Pyuti-chan and Elenor-san's intense fellatio were also good but, this sticky way of doing it is also really good.

「Chuu.....Mchu.....*lick*.....*suck*.....」

Continuing the fellatio, Rachel-chan's butt was shaking from side to side.

「.....can I touch your pussy ? 」

「Mchuu.....pwua.....it's fine♥ Are you going to lick it ? 」

「Eh、licking it is OK ? 」

「It's fine、but、you can't do it too violently okay ? Be gentle alright ?
Well then、please lie down.....」

I lied down to the sofa as told, Rachel-chan extended herself to me in 69 position.

「Please lick me gently okay ? chuu.....mchuu.....*suck*.....」

I gently used my tongue to lick Rachel-chan's labia while she continued giving me fellatio making her hip sways.

「Fun♥ fuun♥」(TN: Please readers! Do not read this in english LMAO, it's 'fun' not 'fun') Just that much made Rachel-chan's lower back twitched, and her fellatio faltered.

Making this oversensitive girl cum is also entertaining, but my goal now is to ejaculate, so I'd better not be a hindrance to Rachel-chan's fellatio. I savored her pussy by moving my tongue really slowly.

「Fuuun♥ muchuu.....un♥ *suck*.....」

Rachel-chan admirably endured the pleasures and continued her Vacuum fellatio.

My 'son' reacted to the pleasure, after receiving the skillful fellatio from Rachel-chan's wonderful oral techniques, I released a large amount of semen into her mouth.

「Nn ! *suck*.....muchuu.....*gulp gulp*.....you let out so much♥」

After gulping down all my semen, Rachel-chan removed my dick from her mouth, helped me sit up, put her panties back on and sat down next to me.

「There's still a little bit of time、do you want to talk ? 」

Saying so, she offered me a drink.

「Right.....It was really satisfying」

Counting from the time at the Health Fashion, it's already my 7th time cumming, my son's also satisfied.

「Rachel-chan、I think you'll also be really popular in the brothels and health fashion、why did you choose a pink salon？」
(TN: Quick reminder, Health Fashion is just prostitution is form of massage, Pink salon's also somewhat the same, just a bit different) Such a question was boorish, but I asked anyway.

「A ha ha.....I'm too sensitive、so Health Fashion is no good。
Before coming to this place、I was a prostitute in Snowy Mountain Village, but the workload there was too much for me.....」 (TN: Yep the last clause needs love from Editor-sama) 「He~、Snowy Moutain village's prostitute huh？」

「There are some of them there。
Hora、it was cold so people seek for body warmth.....」

After that, I listened to Rachel-chan's old stories about the time when she was a prostitute in that village until the time's up.
According to Rachel-chan, this shop seems to accept normal courses too.
Next time I come, I'll pick Rachel-chan again, she accompanied me to outside the shop and placed a kiss on my cheek.

~~~~~  
~~~~~

I returned to my house from the Red light-district, I intended to go back to the real world when the advice of Ayakido's owner suddenly came back to my mind.
According to him, items can be brought in and out of the game freely.

I wanted to make sure if that's true, I took a Restoration Pill out of the Item box, I operated the 3PS in my head and returned to the real world.
~~~~~  
~~~~~

I returned from the game and place the small bottle of green liquid onto the desk.
No doubt, this is the Restoration Pill from Dorahun.

「It really is possible huh.....」

Using this system, I felt like something useful can be done, but.....。

「Oh well、let's go to sleep」

I went to sleep in a neat mood to prepare for tomorrow.

A Hunter's physical abilities

Alright. My [NEW BLOG FOR NEW FUTURE PROJECTS](#) is working again. Sorry...

The next day.

I had gym class at school.

However, because the examination for 3rd year students was drawing near, the PE teacher gave out a lot of excessive exercises.

Today, the teacher took out a horizontal bar from the PE warehouse.

「People who can do a big swing will receive a plus point into your official grade」

The PE teacher inspired us with those words, the sports-minded student one by one challenged it but they could only hang there when they were supposed to be doing chin-ups.

「Senseー、this is impossible、it's tooー」

Other students dropped the BOO!

「Hahaha、of course、there aren't that many people who can do it like gymnasts on the TV。

Even in University tournament、most of the performance ended up with landing with suspension」

When I heard that, I wanted to test out my physical abilities.

「Sensei、I'll go next」

「Fujisaki ? Hahaha、fine、go ahead and try」

When I stood under the bar, as if inside a game, I made one step and jumped at the bar, then used that momentum to lift my upper body up in one go.

From the crowd, admirable voices could be heard rising.

(.....seems good.....)

「Sensei、if I can do a big swing I'll get a plus into my grades right ? 」

I said so while supporting my body with my arms hanging on the bars, the PE teacher seemed to be confused.

「Fu、Fujisaki ! Don't ! It's dangerous ! ! 」

「It's fine.....heii」 (TN: something like heave-ho)

I didn't listen to him, but decided to put my focus into my arms and made a big swing, then stabilized myself above the bar. (TN: I think he did the two-hand stand right above the bar...) The crowd exploded in cheers, but the PE teacher was unseemingly.

「Fu、Fujisaki、it's dangerous so get down quickly ! ! 」

「Ye—s、I'll get down rick away.....heii」

I took advantage of the recoil and threw myself from the bar, without rotating or twisting I landed on the mat, I did a landing pose like those pro gymnasts.

My classmate became extremely cheerful, I received a thunderous applaud. The PE teacher walked up to me and grasped my shoulders.

「Fujisaki..... ! Yo.....You..... ! why have you been hiding such physical abilities..... ! People like you、they can receive as many recommendations to sports universities as they want to..... ! 」

「Naah、today my body just happened to be unexpectedly good。
Then、I get a plus to my grades right ? 」

The PE teacher startled and made an amusing face.

「I'm just kidding、sensei、my grades are fine as they are already」

After that, a classmate waved to me and asked asked me how did I do that, but I gave an evasive answer.

Judging from how I'm feeling my body right now, I seemed to be able to do more absurd things.

What the owner of Ayakidou said seems to be true.

Like this, even if I failed my tests, I would still be able to become a famous baseball player or soccer player, my life as a top-class sports player is possible.

In other words, my future life has nothing to be worried about.

~~~~~  
~~~~~

Even if that is the case, I should still be studying for exams just in case.

For that reason I decided on a secret plan, I imagined myself bringing my study materials when I return to Dorahun again.

Studying while frequenting the brothels in the game

New chapter arrived. Enjoy !

Just as I imagined, I succeeded in bringing my study materials into the game world.

I immediately spread my notebooks on the desk inside my house, the room-service Nekorū girl cast gazes at me with a skeptical look in her eyes as I started studying for exams.

According to my experience, no matter how much time had passed inside the game, in real life it would only be just an instance.

In other words, I can take as many days as I like to study without even the slightest care.

But it's choking to just study, I'm facing a long study session and I'm the easy-to-get-horny type, so if I ever got tired of studying I'll head straight to the Red-light district.

Thus it is possible to go through 10 days of studying and frequenting the brothels.

And if I ever run short on money, I'll return to the real world and participate in Event Quest to farm those Eggs again so there's no need to worry about money, a hunt like that in real world only takes around 2 or 3 hours.

By frequently visiting the brothels, I'll become their honored guest. This is something I learned from the net but, sex services like this appreciates guests who repeatedly returns to use their services.

If Kashima-chan is available at Dragon Brothel I'll nominate her to kiss her and ejaculate inside her to my heart's content, in case of her not being available, I'll secretly put the Great Contraceptive Drug into my Item box, then go to Bubble Mix for Freya-chan, and have special mat play service while having sex and cumming inside Freya-chan, then if I'm already satisfied and go into dessert mood I'll go to Pink Salon and nominate Rachel-chan, but if time ran out at

Bubble Mix and I wasn't satisfied, I'd go with the Petal Rotation at Pink Salon to have 2 or 3 girls service me one by one.

Continue doing that and, Kashima-chan, Freya-chan, and Rachel-chan would recognize me as a patron, the originally good service would go up even further.

While staying at the Red-light district, even if I go back to my house in the game and sleep it would only take one day, I'll enjoy studying and doing women at the same time to my heart's content.

I immersed in the game like that everyday for 10 days and as expected, got tired of it.

So I put my study aside and tried to go hunting, which was the original purpose of the game.

First I'll pick quests with small-sized monsters, I'll receive only a small scratch even if a small monster bit me.

I decided to go challenge the Nekogakurunya Flame Dragon.
(TN: LOLOLOLOLOL the dragon's name... I might be wrong but fuck it)

The first time I looked at the Flame Dragon I flinched as expected, I fought it and was carelessly hit, just by that single blow it felt like a fatal wound and I couldn't get up, this thing can't be real.

In Dorahun Cross, players can freely choose between 4 styles, I chose the Bushido-style that highly emphasis Evasion, once I got used to it there was many room for avoiding an attack.

And then, though I understood how to hunt inside the game, but perspective operation was more troublesome than when I was playing Dorahun from the real world, for example when inside the game I had to move my neck to confirm "Where has the monster gone to?", that said, hunting from the real world is way easier.

In conclusion, I got used to the Bushidou-Snake style, went to hunt the Nekogakurunya several times and was able to create higher-ranking Nekoga Equipment.

With Bushido-style and Nekoga equipment, evasions skills became useless, but

that's only the last resort, then when there's the UP evasion distance any way is fine.

Then, there's an idea of making as many cheat-like equipment as you can if you seriously think about it.

Well, since the purpose of Dorahun is mainly to have fun, I'll cast that aside, for now I'll show off my ninja-like Nekoga Equipment to Kashima-chan...

「You look really cool～♥」

...or so she flattered me.

After finishing up today's review for my study, I went to the Snowy Mountain Village to try out something called Deriheru there.

(TN: Deriheru = prostitution)

Delivery Health seeking, to Yukiya Village

This chapter made me laugh a bit too much... but enjoy!

In Dorahun Cross, the setting of the game is that, players are dispatched to various places as members of a research organization called the Dragon Institute.

That's why I was prepared a house as a base in every village. Since you can receive quests from any given village, to be honest, it's just the matter of taste for a hunter to choose which village.

In Snowy Mountain Village, monster ranks were recorded in a software called 「Dragon Hunter Portable DOS」 and it became a common topic among the young generation of Dorahun players. Me, too, used to gather here with my friends in the past and made this place our base to receive various quests.

It feels good to be soaked in nostalgia here, but the purpose this time is Delivery Health.

I got information about the Delivery Health from a young villager that seemed to be interested in erotic things.

According to that, there's an introduction agency in the village where everyone comes there to be introduced a shop, the girls will also be dispatched from there.

I was told to go to the outskirts of the village and entered a small building, there was a neatly dressed youth waiting inside.

「Welco.....Oh, isn't this hunter-san from the Dragon Institute. Are you looking for a merchant shop？」

「Ah—.....right. It's my first time looking for a Delivery Health, so please tell me how things work」

「Understood、these are the basic plays for each shop」

According to the clerk, it seemed like the mat play was removed from Health Fashion.

「Then、according to the girls, there are the options for it to be possible or not、so please talk directly to the girls regarding that」

「Option huh.....」 (TN: Option-shiki? Denpa kyoushi?)

Because I was somewhat interested, I asked the clerk in a half-jokingly way.

「Is sexual intercourse possible？」

「.....every shop is the same、sexual intercourse is prohibited」

There seemed to be something hiding in his words, so I gave him 500 gold from my Hunter Card as tip.

「Get yourself a drink。

.....I kinda wanna hear more stories～、just kidding」

「I am grateful.....that's right.....every shop is the same in prohibiting having sex but、if you prepare the Great contraceptive drug、then directly negotiate with the girls、the shop wouldn't interfere that、and you take no responsibility」

「So that's how it is.....」

Seems like if you want to have real sex, it's your own business to go and negotiate with the girls.

「May I ask how much do you really have in your pocket？ The shop introduction would also vary depends on that」

「You don't have to worry about money。

Since I have enough money to go to Dragon Brothel many times already、just introduce me the best shop with cute girls and good service」

「If that's the case then.....as expected, 「Setsugetsuka」 it is。 (TN: This sounds way better than Beauty of four seasons... so I'll keep it at Setsugetsuka)

Among the Deriheru of this village、it is the best、the girls are good、revisit rate is also high.....in addition、「Setsugetsuka」's play courses are also unique」

「Unique play？ What kind？」

The clerk whispered into my ears word by word.
Only hearing those word made me very excited.

「All the girls in that shop would accept that ? 」

「Girls with NG are there、but most of them are OK-desu」
(TN: NG means saying ‘No Good’)

Hearing that I was about to ask about that shop when I suddenly recalled something about the experiences in sex I saw on the net, so I asked the clerk.

「That shop、is 3P possible ? 」

「3P is it ? Yes、Setsugetsuka does offer 3P courses」

Today would be last play, so I’m in the mood of a going-all-out one.

「Well then、a Special-play 3P course is possible right ? 」

「Understood、how much time would you do ? You can also pay for a whole night」

「Hmm.....This is my first time here、so to try it out、I’ll go with 3 hours for now。

If it’s really satisfying then next time I’ll do a whole night」

「3P course、special play、3 hours、it would be 7000 gold is that okay ? 」

「That’s fine、no problem」

「You can pay 100 gold to specifically pick a girl、but since this your first time、can you tell me what kind of girls you prefer ? 」

「She should be cute、with good service、and if she even has good style then there’s no problem」

Thereupon, the clerk had a flattery expression on his face.

「.....If customer-sama pay 1000 gold in addition、I can suggest you a girl to your preferences.....」

Ahh, so that’s how it is, this shop wants to earn secret extra money huh...

「I’ll give you straight up 2000 gold。
Gimme the most kawaii girl, two of them」

「Thank you very much.....I have received 2000 gold。
The other 7000 gold with Option-fees, please pay them directly to the girls」

「Can I change it if I don't like it？」

「Yes、but、it would be 100 for every time you change your mind」

「Understood。

Then、I'll wait at my house is that OK？」

「Yes、you can see the girls as soon as they finished their preparation」

~~~~~  
~~~~~

After nervously waiting for 30 minutes at my house in Yuki-yama Village, there was a knock on my door.

「Good evening～、I'm from Setsugetsuka～、may I come in～？」

「Ah、I'll open the door now」

I said that while opening the door, two girls that look completely contrast to each other were standing there.

One had strong tanned skin with blond long hair like a real gal gal girl, she had a short skirt on together with clothes with a lot of exposure of her tanned skin which isn't suitable for a village in a snow-covered mountain, she also had thigh-boot without stockings.

The other girl seemed a little timid with drooping eyes, she was wearing a thick coat, but her slender body and large breasts were still visible.

「Reimi desu、yoroshiku～」

The blond girl introduced herself.

「A.....Ano.....Anri desu.....please take care of me」

(TN: Erm... Are you perhaps a cousin of Enri in Carne Village?) Anri-chan said so while removing the hood, revealing her blue ponytail.

「Are the two of us OK～？」

The two of them were contrast to each other, but both were cute nonetheless.

「Yup、no change is needed」

「Thanks～」

「Th.....Thank you very much」

I invited them into the house while asking the crucial thing.

「The two of you、Special-play is OK right？」

Reimi-chan laughed while answering.

「Ah、anal fuck？ we're both okay with that～」

(TN: Bloody hell!!! She literally said ANAL FUCK)

Delivery Health 「Setsugetsuka」 ★ (Lightweight, Wash)

New chapter. A VERY weird one... but I enjoyed it to a certain extent.

The two of them entered the house with cheerful expressions, came near the fire and warmed their hands.

「Aa～、this is the life～.....it's snowstorming like crazy outside～。
Did Kusha come out or something～？」

(TN: it's maybe a reference to Kusharudaora from Monster Hunter – thanks Osura-san) 「Haa.....I came back to life.....」

I looked at their ass while they were warming their hands and asked.

「What Option is available from you？」

「Option？ Aa、please look through this and decide～」

Reimi-chan took out a sheet of paper from her bag and handed it to me, I took a look at it, there were various plays listed in there.

Panties Tearing is just what it is, and dildo must be the so-called vibrator.
(TN: WTF ?!?)

I didn't understand the "Rough-sketch Picture" at first, but when I thought about it, it seems to be equivalent to Polaroid photographing at Delivery Health in the real world.

So that's how it is, even if there are binoculars, this world has no camera, so roughly sketching a picture would be the way.

Since I'm not an artist, let's leave this aside.

「Hn～.....Masturbation-enjoy, Urination、and then Bring-home-panties are the things I'll request from the options、is it OK？」

「I'm OK with anything～」

「A.....Ano.....Urination is NG for me.....because I can't just do it out of

nowhere.....」

「Yeah、got it、then Masturbation and Bring-home-panties for two people、and Urination for Reimi-chan」

「Okay、masturbation will be 300 gold per person、Bring-home-panties is 500 gold/person、Urination is 200 gold, is that good ? 」

「No problem.....and then、are you two OK with real sex ? 」

「Eh ? 」

Reimi-chan giggled.

「Customer-san、not only anal but you also wanna do the pussy ? 」

「A.....Ano.....for anal sex、if your penis isn't hard enough to a certain extent then it's impossible.....」

「If you came inside the pussy then move on to anal fuck、but your penis already shrunk 、money won't be refunded you know～ ? 」

「All good、I can come as many time as I like、and it won't lose its hardness」

「Really～ ? 」

They glanced at each other and whispered something in silence, they seemed to discuss a lot of things.

「Great contraceptive drug、did you prepare it～ ? 」

「Yup、for both of you、everything's all prepared」

I took out two small bottles from my Item box and put them on the table.

「Then、each person is 500 more gold and you can do our pussies～」

「Got it、that's also fine」

「Kay ! 」

Reimi-chan stretched herself in front of the fire.

「Then let's get started～、please lead us to the bathroom, we'll wash ourselves～」

「P、Please take care of us.....」

「Same here」

I led them to the bathroom, they started things off with stripping me. Since the inner clothing was easy to take off, they only stripped my armor. When I took off the lower part of my inner clothing, a superb article was shown, *bin* it towered up just like that making Reimi-chan giggled and grabbed it to play with it.

「Amazing、it's really huge and hard isn't it」

「.....」

The colors in Anri-chan's eyes changed its mood, was it just my imagination ?

Then the two of them quickly stripped themselves nude.

Reimi-chan's tanned skin wasn't sunburnt, it seemed to be genuine since birth. Reimi-chan's boobs was quite large, but Anri-chan's were even larger. Anri-chan's areola was a pale shade of skin color, it was slightly large, but her nipples were set back in so I couldn't see them.

「Anri-chan has cave-in nipples ? 」

「Please don't stare too much.....because I do mind it.....」

「Anri's nipples do erect but～、how's customer-san's techniques I wonder ～ ? 」

「I wonder the same thing」

Though I think I already got used to doing women after so many times at the brothels, I honestly don't know because I've never made comparisons between them.

「Then、let's wash ourselves～」

The three of us entered to bathroom, Reimi-chan took up her position behind me, then started to apply body soap on me.

「Then、I'll wash your behind、Anri will take care of the front okay～」

With that, the washing started.

Reimi-chan didn't just wash my anus, but my entire butt, she also gently washed my back and my legs.

As told, Anri-chan after quickly washed my chest, focused on my groin region and washed it with enthusiasm.

In other words, this is the perfect washing session that spares no space on my body.

Anri-chan held a round bag in one hand and rubbed my body clean, she washed my penis with great determination.

「.....haa.....haa.....」

I didn't touch anything, but somehow Anri-chan's breathing became rough.

「Anri～、you don't have to rush you know～？ There's still lots of time～」

「It's fine even if I ejaculate here、I told you right、I can go many rounds」

「We don't really know about it do we、hora、Anri、do it moderately okay～？」

「Y、Yeah.....」

Anri-chan's washing slowed down and became gentler.

「Hey、what will you do？ I'm about to pee、do you wanna see it now？」

「Right.....If possible、I want to see it while you masturbate、let's go to the bed then」

「Your bed is going to get dirty、is that alright～？」

「I don't mind」

The one who cleans the place is the Nekoru girl so...

(TN: OMFG!!! ARC YOU FUCKING SCUMBAG LOL)

After washing we wiped our bodies, Reimi-chan seemed to remember something.

「Ah、that's right、I forgot to say、マジイマジイ、give me something to drink、I have to pee and all so...」

I took out a cup filled with water and gave it to Reimi-chan, she drank up all of it.

「Fuu、then、I'll start masturbating ! 」

「Ah、wait a minute、can you leave your panties on at first ? I'd like it to be stained a little bit」

「Eh ? This Hentai、Pervert」

Reimi-chan lightly laughed at that, but both of them did it and left their panties on while settling themselves at the edge of the bed in a line facing up, then spread their legs towards my direction.

Reimi-chan's flashy panties is pink with black pattern, it was greatly caved-in revealing the labia onto the surface.

Anri-chan's panties was just a normal white silk one, with lace ornaments on.

「Well then、let's begin」

With those words of Reimi-chan, the two of them started rubbing their pussies under the cloth of their panties.

Delivery Health 「Setsugetsuka」 Part 2 ★

(Masturbation enjoying, Urination)

THIS CHAPTER IS WEIRD. Readers discretion is HIGHLY recommended. Enjoy!

「Ahn♪ haa.....Nn ! Haahaa.....this is some serious scene isn't it.....」

Reimi-chan started off massaging her breast with one hand, she got that done in a hurry, then reached down to caress her clitoris through the panties, she used her other hand to dig into the vagina opening and rubbed herself there. It seemed to be a bit irritating to just rub indirectly through the cloth. Reimi-chan started to feel it as her body shivered, on top of her tanned-skin breasts were the pink nipples shaking back and forth.

「Nn..... ! Aa Aa.....Mnn〜 ! Haa.....haa.....」

Anri-chan on the other hand, was daringly rubbing and embracing her left breast while violently rubbing her pussy through the cloth of her panties.I've been viewing her as a timid girl, but she's actually a proactive-type ? While fondling her breast, Anri-chan also used her finger to rub the sides of her nipples, but seems like her cave-in nipple hasn't showed itself up yet.

I thought it looked pretty stupid to just stand there and watch them, so while the girls were masturbating, also started rubbing my fully erect meat stick to jack off along.

「Haa haa.....Ah、kora ! Don't just jack off yourself.....what happens if you came just like that.....Ahn ! 」

「I told you、I can go as many rounds as I like to.....hora hora」
(TN: Right... Editor-san... whadda ya think? HoraHora or HereHere?) Both of them watched me stroke my huge dick.

「Mou.....Anal aside、you gotta save up for cumming inside the pussy you got that〜.....Nn ! 」

「No worries、whichever hole it is, I'll fill them all up.....」

「.....haa haa.....Mnuu ! ! 」

Watching me jack off, Anri-chan's masturbating became even more violent. I looked at their panties and they were all soaked in love juices.

「That should be enough.....hey you two、 you can masturbate without the panties now」

「Nn.....got it.....」

「.....haa haa.....」

Both of them closed one leg and raised their waist to take off the panties, put them to one side of the bed, then once again resume masturbating with their legs spread into the M pose.

「Haa haa.....it's coming.....」

(TN: Yabe = Yabai = dangerous/amazing/no good → pls pick Editor-san lol)

「Nnuu ! Nn ! Nn ! 」

Reimi-chan's blond pubic hair was slightly thin, it looked like it was shaved, but upon looking more carefully, the pubic hair took on that form on their own. The shiny color looked good on her tanned skin, her pink clitoris was also bigger than average.

Reimi-chan tampered her big clitoris with one hand, while the other dig into a shallow part of her vagina to stimulate it many times.

Reimi-chan's love juices' viscosity seemed to be pretty thin, every time she rubbed her pubby there were little *picha picha* sounds coming from splashing the love nectar.

「Reimi-chan's slit sure is big.....do you prefer shallow spot ? 」

「D、Don't say aa、stupid things ! Aa♪ Aa♪ Just a little more, cumming..... ! 」

Then onto Anri-chan, her light blue pubic hair was thicker than normal, but the hair on the labia was all taken care of.

Her fluttering areola was also a pale skin-color, her clitoris was of average size, but it was standing up like *piin*.

Anri-chan seemed to be more of the vagina-group rather than clitoris as she plunged 2 fingers deep into her vagina and violently piston into it.

In contrast to Reimi-chan, Anri-chan's love nectar's viscosity was way thicker, every time her fingers went inside her vagina, obscene sounds of *nucha nucha* resounded.

「Anri-chan likes it deep inside ? 」

「Nn !Y、Yes.....only plunging it deep inside.....would make me completely feel it.....Nn uuu ! ! 」

As the two of them nearing to climax, their fingers became more violent, I also took a daunting pose and stroke my penis vigorously.

「Aa♪ Haaa ! It、It's.....coming..... ! Nn♪ Ah Ahh ! ! 」

「Nnnn ! Uuu ! Aaaa ! I'm、I'm going to cum.....very.....soon..... ! 」

Reimi-chan was the one who reached climax first.

「Aahhh ! CummingCumming ! ! I'm cumming ! I caaame ! ! It's coming oooooout~~~~~ ! ! 」

Reimi-chan bent her back like a shrimp while holding out both hands as she climaxed, made a big sound and urinated vigorously.

Next was Anri-chan.

「Aaa ! ! Cumming ! I'm cumming ! ! Aa ! N、No good ! Cummmiiiing ! ! 」

Anri-chan took the fingers out of her vagina and, in contrast to Reimi-chan, curled up convulsing and trembling while being on climax, however Anri-chan too, urinated as a clear projectile of liquid trickled out in a parabola shape.

The scene of these two girls cumming and peeing made me excited, I made a big stroke on my penis as the last spurt.

「Cumming ! I'll splash it on you ! ! 」

I declared and made a magnificent ejaculation, splashing semen on both of them.

「It.....It's hot.....haa haa.....」

「Haa haa.....uwa.....what a grand ejaculation、you.....can you really come again ? 」

「Rest assured、I told you right、I can come as many times as I like」

I showed them my still-towering meat stick.

「Uwa.....that's actually amazing.....」

「.....haa haa.....」

Anri-chan meanwhile, reached towards her belly and gathered the semen into her hand, put the fingers into her mouth and suck on it to taste the semen.

I'm convinced.

Anri-chan might appeal as a timid girl, but she's actually a nympho.

I was still in the heat of excitement so I decided to spread their legs and drew closer to their crotch, first would be Reimi-chan.

「I'm licking you.....」

「Wa、Wait a minute..... ! Lemme wipe it first..... ! 」

「Nope、this is good enough」

I casually declared so and stuck to Reimi-chan's pussy.

Delivery Health 「Setsugetsuka」 Part 3 ★

(Cunnilingus, Real sex)

Again, weird chapter. Bad for your heart if you dislike urine tasting... otherwise, enjoy!

「Aa.....Aaa.....Wai.....It really is dirty.....Aaaa ! ! 」

I ran my tongue all over the pussy that just pee'd and tasted it thoroughly. It was a little bit salty, but it was only to that degree so I didn't even sense the taste of urine.

Seems like all of Remi-chan's body fluids have been exhausted.

While sticking my tongue out to taste the pussy, I looked up.

「Anri-chan.....it's gonna be your turn shortly so don't wipe yourself yet.....」

「Y、Yes.....haa haa.....」

Anri-chan started rubbing her own breasts.

「Well then、let's make you cum.....」

After saying so, I buried my face back into Reimi-chan's crotch 「Wai、Aa aa ! W、What is this.....sooo good.....Aahn ! 」

I released my breath into Reimi-chan's huge clitoris, then put my finger into a shallow spot of her vagina and stirred her up while stimulating her G-spot. I continued doing so, and soon Remi-chan reached her limits.

「Aa ! Aaa ! No good.....cumming again..... ! It's coming out again ! C、Cumming ! ! ! ! 」

Reimi-chan convulsed violently, piss came out from her peeing hole wetting from my chin down to my chest, is this the remaining from earlier?

「Haa.....haa.....sorry、it just kinda came out.....haa.....haa.....」

「Don't worry about it」

I took a deep breath and separated my face from Reimi-chan's crotch, this time I knelt down before Anri-chan's feet.

「Let's also make Anri-chan cum.....」

(TN: Not too sure...)

「Y、Yes.....」

I brought my face close to Anri-chan's crotch, instantly the thick odor of urine and female cum hit my nasal.

(TN: The actual sentence was so messy I had to put it in a completely different way)

But even if that's the case, I deemed that as 'not an unpleasant smell', rather, it was a sexy smell that appealed directly to my penis.

I licked Anri-chan's pussy like an insect got lured in by the dew of a flower.

「Aaa ! Nnn..... ! Good..... ! 」

The odor of urine was strong, and furthermore, the dense taste of love nectar made my head dizzy.

「Nn..... ! Nnn..... ! 」

After licking Anri-chan thoroughly, I proceeded to make her cum.

「Haaaa ! ! A、Amaz、ing..... ! A、A、Aaaaa ! 」

Since Anri-chan only feels it if it's deep inside her vagina, I put my middle-finger and ring-finger into her pussy and moved them in a reciprocal-shifting way while pistoning and hitting her uterus.

With my tongue licking her clit and my hand inside her pussy, I also sometimes slurped in the thick love nectar with my mouth.

Then with her deepest part being tormented, Anri-chan soon reached her limits.

「Aaa ! ! Cumming ! ! I'm cumming ! Aa Aa Aa !

Cumming..... ! ! ! ! 」

Anri-chan didn't piss again, but real love juices dripped out and soaked my fingers.

I lifted my face from her crotch and saw Reimi-chan squirming her thighs rubbing them together.

「Just hang in there.....I'll poke you with this hard stick right away.....」

「Not.....Not that I'm waiting for you or any~thing ! 」

(TN: Fucking hell... tsundere prostitute... is this some new trending?) I pierced the pretending-to-be-tough Reimi-chan from behind while she was on all fours.

「Aahh ! ! This cock.....amazing.....it's hard and hot like a burnt iron bar..... ! Nnnn ! ! 」

I piston into her G-spot as much as I could, while stimulating a shallow spot I randomly thrust in deeply at times.

Though Reimi-chan's pussy was shallow in depth, it tightened up a lot so it felt really good.

I unintentionally looked over, and saw Anri-chan crawling in from under, she seemed to wanna join us.

「Aa Aa Aa Aa ! ! I、I can't.....endure this.....Cumming ! ! Cumming again ! ! ! ! 」

Reimi-chan bent her back as she climaxed, she clamped down tightly on my penis, it felt good so I ejaculated inside her.

Semen flowed out from the shallow vagina, it dripped out and fell onto Anri-chan's face.

I took my meat stick out of Reimi-chan's vagina, Anri-chan, from below, took my dick, which was covered in cum and love juices, and put it into her mouth.

「Nmu.....*suuck*.....A、Amazing.....it's still this hard.....」

「Now it's Anri-chan's turn」

It was a shame, but I removed my dick from Anri-chan's mouth, this time I'll penetrate Anri-chan in missionary position.

「Nn aaa ! ! 」

Anri-chan seemed to like being done violently, so I went full intense top-speed mode and pounded her deep inside.

Anri-chan's pussy was also extra tight, but more than just that, her love juices were muddy and her insides were really hot.

I poked her uterus intensely while groping her breasts violently with my hands, I

also used my tongue to stimulate her left nipple.

True or not I have no idea but, I remember reading on the internet that human's heart is closer towards the left, so the left nipple is more sensitive. I fully mobilized my knowledge studied from AV and tease her nipple while moving my hip.

「Hii ! Hyaaaaa ! ! Ama、Amazing ! Nn ! Hnnnnnn ! ! 」

Beforelong, from Anri-chan's large areola, a cute nipple quickly appeared.

「Uwa—.....this is rarely seen、Anri's nipple.....」

Reimi-chan seemed to have settled down as she slowly playing with Anri-chan's nipple.

Anyway, with the intense top-speed mode going on, I soon drew near to my limits.

I was ready to come, but at that moment Anri-chan reached climax before me.

「Aahhhh ! ! Cumming ! I'm cumming ! I can't take it anymore ! Cummmmmmmmmmm ! ! ! ! 」

Anri-chan convulsed, her love juices overflowed while she clamped down on my cock, that became the trigger making me mass-ejaculated inside her pussy.

「Haaaa..... ! 」

I removed my penis from the still-twitching Anri-chan, my son was still stood there piercing the heavens.

(TN: LOOOOOL Pun approves this!!!)

「Well、what are you、really.....」

I lined up with Remi-chan's butt, massaged it a little and took my aim.

「Next is anal.....loosen up」

When I was about to go into her butt, Reimi-chan called for a hold.

「Wai、Wait a minute ! We need lotion、it's no good if you tear my ass apart.....」

Saying so Reimi-chan reached to her bag and started looking for something inside, I also took a short break, and used a finger to flick the cute nipple of Anri-

chan, who's lying flatly exhausted next to me.

「Ah.....♥」

Delivery Health 「Setsugetsuka」 Part 4 ★ (Anal fuck)

First chapter on new site!!!

Reimi-chan asked me something while applying lotion to her anus.

「Have you ever done anal before？」

「No.....this is my first time doing it in the ass」

「Then、let me be on top.....lie down face up please」

As told, I lied down face up pointing my meat stick towards the ceiling.

Looking at my cock from the side, Anri-chan applied lotion to her anus while playing with her breasts and nipples.

「Okay I'm putting it in.....Nn ! Nnn !」

Reimi-chan straddled me on my hip and slowly swallowed my meat stick with her anus.

「oo.....」

Sensing a strange feeling being inside the anus made me let out a weird voice.

The entrance was really narrow, but once I got inside, the soft meat was warm and gently stimulated me 「Nn ah..... ! It's hard..... ! Nn ! Nn !」

Reimi-chan slowly moved her hip up and down.

I felt a little stupid just lying there, so I decided to also move my hip.

(if I'm not mistaken.....then it seems like when doing anal, it's fine to make small movements)

Using the little bit of my knowledge, I rhythmically moved my hip in piston movements.

「Wait ! It's only just the beginning、but why ! This is ! S、So good.....

Nnn ! ! 』

Since this is pretty interesting, I reached up from below and gently massaged both of her tanned-skin breasts 「No..... ! That's、That's too much..... ! If、if it continues like this..... ! I、I'll cum from my ass ! 』

Reimi-chan's breathing became rougher as her hip movements also turned stronger, I too, matched mine in rhythm with her movements.

「Aaaaa ! Cumming ! I'm cumming from my ass ! I、I can't take it anymore ! Cummiing ! ! ! ! 』

Reimi-chan's whole body trembled as she reached climax in her anus, the muscles inside tightened up greatly and squeezed my penis, I also ejaculated from that.

「Nn ah ! Nnn !haa haa.....le、let me rest a little.....」

Reimi-chan shivered while pulling my cock out of her anus and just sprawled on the bed.

Of course, my penis was still standing piercing the heavens.

(TN: Hahaha... Pun's gonna like this again)

「So that's how it is.....I generally got the way of doing anal.....next is Anri-chan's turn」

「H、Hiii..... ! 』

(TN: Readers, don't read this in English... it's "hi" ... not "hi" LOL) Anri-chan seemed to become a bit frightened of my matchless stamina.

I gently hugged Anri-chan from behind while she was on all fours, then slowly inserted in her anus from the back.

「H、Hard.....It's hard.....ah、and hot.....Aaa ! 』

It was the same for me.

Anri-chan's entrance was obviously tight and narrow, but the insides were really hot.

But even if that's the case, she had a lot more intestinal fluids than Reimi-chan, then also with the help of lotion, I started off with small movements and sometimes make deep strokes into her anus.

「Aa ! Aahh ! Amazin'..... ! Nnnn ! ! 」

While making love by swinging my body pistoning into her back door, I hugged Anri-chan from behind, which she seemed to like it, and vigorously groped her breasts.

「Aahhhh ! ! 」

(TN: yep ahe-gao already...)

Beforelong Anri-chan also moved her ass vigorously, naturally that led to bigger thrusts deep into her.

「Aa ! Cumming ! I'm cumming ! It's coming out ! ! C、Cumming ! ! ! ! 」

Making big noises the insides of her anus tightened, Anri-chan reached her climax.

I also thrust way deep into her and released a large amount of semen.

Anri-chan fell forward on to the bed, my penis showed itself, and once again towering like nothing happened.

「.....Amazing.....what to do now.....」

「Haa.....haa.....Nee~、Reimi-chan、customer-san didn't seem to be satisfied.....wanna do *that*..... ? 」

「.....that's the only way huh~.....」

「That ? 」

Reimi-chan answered my inquiry with a different question.

「You're a hunter right ? That you should have a Deodorization Stone right ? 」

Deodorization Stone is something used to fight away the stench of monsters, a restoration-type item.

「I do have it.....but why ? 」

「Then、take it out、we'll both use our boobs and mouth to do this」

「Eh ? But my dick just went into your anus..... ? 」

「That's why we're using the deodorization stone、just take it out」

I didn't understand at all, but I took out the Deodorization Stone from my Item box and gave it to Reimi-chan.

「Alright.....stay still for a while 'kay? 」

Saying so, Reimi-chan started rubbing the stone against my penis, which was dirtied with cum, intestinal fluids and lotion.

It wasn't painful, but seeing smoke coming up from my crotch, it was rather a stupid-looking scene.

「Alright、the cock is all pretty again」

I looked at it and saw the lotion or other dirty stuff getting all removed, my cock became clean again.

「Heeh.....」

So the deodorization stone can also be used like this, I learned something new.

「Then、come and set your hip here, and face up too」

With that being said, Reimi-chan and Anri-chan sat on seiza on the bed facing each other.

「We'll satisfy you with W-paizuri tits fuck、let's go♪」

Delivery Health 「Setsugetsuka」 Part 5 ★ (W-paizuri, Pillow talk)

Double release today! hahahaha... okay.

I was invited to lay my hip on their knees facing up.
I was in the position just right for the two of them to line up their eyesight with my towering penis.

「Looking at it this close, it's really big isn't it.....heave-ho」

「Nn.....」

The two of them pressed their breasts against my cock and started to move up and down.

Reimi-chan's sticky beautiful breasts and Anri-chan's huge breasts' gap felt great.

They stroked my thing with their breast while their nipples traced the body of it, giving me a pleasant sensation.

「This.....it's good.....」

「You haven't seen everything〜♪ Nn.....*lick*.....*suck*.....*lick lick*.....」

「Reimi-chan、next is my turn to suck it okay？」

They licked my meat stick, which stuck out from the gap between their breasts.
Reimi-chan's fellatio was more towards tongue techniques, while Anri-chan's fellatio was more about sucking passionately.

Being attacked from every direction, I reached my limits.

「Ah.....it's coming..... ! 」

「Nn ! *sluurp* ! *slurp* ! *suuuuuck* ! ! 」

Like that, I ejaculated a massive amount inside Anri-chan's mouth.

「Nmu !*slurp*.....」

「Anri、I want some of that too」

They kissed each other and shared my semen to drink.

「*gulp*.....How was that ? You satisfied yet ? 」

Reimi-chan asked.

To be honest, if I was serious I could come more, but time was running out, so the meat stick between my legs lost its power and softened.

「Yeah.....that's right.....it was satisfying」

「Hehe—Un♪」

Reimi-chan took her legs out from under my hip and sprawled on the bed using my arm as a pillow, I gently played with her nipple.

Anri-chan also lied down the same way on my other arm, then reluctantly stroked my soft penis.

「Somehow～、it feels like we just completed a challenging task～、you're really amazing～♪」

「There's still time left、so shall we stay like this and talk a little ? 」

「Right.....is 「Setsugetsuka」 indeed the best shop in this place ? 」

「Let's see～、this is not something I should say myself、but me and Anri are both top-class Deli-girl in this place you know～」

(TN: Deli → Delivery Health → a form of prostitution) 「Are other areas also counted in that ? 」

「I don't think so but.....in Yuki-yama village Delivery Health is the most popular thing」

「Hmm.....then for an example、what's the specialty of Hot Spring Village ? 」

「They do have brothels there、but their reputation is crumbling badly」

「In Hot Spring Village、rather than going to brothels、it's perhaps better to go to Red Lines」

(TN: I did my research, the actual kanji for this “Red Line” is ちよんの間, which cannot be TL-ed into any OK-sounding English, and wikipedia-sensei said it's originally called Red/Blue Line → just another form of prostitution) 「Red Lines

huh」

Let's look this up on the net when I come back.

「Then what about the First Village ? 」

「There's no prostitution establishment there you know～」

「Ah、is that so ? 」

「But instead、when you go into the back alley、female hunters usually try to make some pocket money by being hookers」

(TN: Right... so these part-time prostitutes stand in the back alley and you hook them up on the way...) 「Stand-girls huh.....are there any risks ? 」

「About the female hunters in First Village～、while earning pocket money they also look for a hunting partner。

That said、they're really stingy about equipment and you can take advantage of that」

「I don't know a lot but、if you're a top ranking hunter then you can choose any partner you want」

「Hunting partners huh.....」

There's also that kind of treatment for NPC ? Tomorrow I gotta go ask the owner of Ayakidou。

「.....for an example、what happens if a G-rank hunter goes there ? 」

「G-rank ! ? 」

Both of them stared at me.

「I said、it's just an example」

「About that、I only heard rumours but～、if you're G-rank the other party would have to dogeza and beg you for it you know～」

「Hm～mm.....」

Up until now I've been avoiding meeting other hunters, but I should also go over there and check that out.....。

「.....what about Bijoorude ? 」

「Hn～.....since I'm not too into this I only heard rumours but～、hunters gather there a lot、so there's a lot of brothels you know～？」

「A、And、I also heard there's strip show there」

「Strip show huh—.....」

I might as well go there and take a look.

「Ah、time's up」

「Nn～～～～つto」

Reimi-chan sat up and stretched.

「You、you're strong so、next time go for a whole night。
I'll squeeze your testicles dry by then, got that?」

「Yup、if next time Reimi-chan and Anri-chan are available I'll go for a whole night」

「You do that♪」

The two of them casually put on their clothes, then drank the Great contraception drug.

It was free of charge, Anri-chan didn't mind it, but I still paid for Anri-chan's free urinating show anyway.

Then the two of them went outside and disappeared into the snow.

I slept on the bed for that night, then used the Blimp to return to Elna Village, I gathered my study materials and imagined myself operating the 3PS then returned to the real world.

After returning, I neatly put away my study materials, Reimi-chan and Anri-chan's panties were still on my hand.

I tried sniffing it, Reimi-chan and Anri-chan's smells of their pussies were there. (TN: OMFG!!! Panties sniffer!!! Honto ni hentai desu ne!!!!) Then I completely locked them up in my desk's drawer, after confirming that time in the real world hasn't passed, I went to sleep.

.....that was a very long “one moment”。

For the time being, let's aim for Top-Rank Hunter

A pretty confusing chapter to translate... this is unedited so it might just be really bad for your brains... you have been warned.

The next day.....。

There was a surprise quiz on world history at school.

It was just the exact part that I studied when inside the game, thus I finished the test with room to spare.

The teacher announced the answers so we graded ourselves and turned the test in, after checking everyone's grading the teacher gave me rarely-seen praises.

I didn't reach the top rank, but my grades did increase drastically.

The guy sitting before me talked to me whisperingly.

「Oi、 what happened、 Nobuhiko、 yesterday gym class was also good for you.....is there something special going on ? 」

「I was just in the mood of studying hard、 coincident、 just coincident」

「Hmm.....however、 recently your aura has kind of changed.....you became kinda muscular and your personality also turned up.....」

「.....probably my biorhythm is going well、 yeah that's must be the case」

「So that's how it is、 biorhythm is it」

「Hora、 sensei's going to catch us、 turn back」

The guy was confused but he turned back, I also looked back upon myself.

That's because, inside the game I studied extra hard, fought countless terrifying monsters, and spent money several tens of times to embrace women, it's natural for my personalities to stand out after all that.

From now on I'll have to strive to show that I'm weaker than my actual self, I

heaved a deep sigh at that.

(.....Can't I do something about this somehow.....)

Right now, this is a bigger problem for me than taking tests.

Well helpless problems are helpless, so after school I stopped by Ayakidou to ask about the matter regarding forming an alliance with the NPC, that's the important thing here.

According to the owner, NPCs seem to be made to be treated as close partners in Dorahun Online.

In other words, they have their own judgement and attack monsters own their own.

Though you can dress the NPC up in your favorite equipment, but as expected, you can't do that in the Online version.

In a sense, I feel like solo hunters are pretty busy.

After that, I spent 2, 3 days studying while doing Key Quests, and also Urgent Quests for the sake of rising to a high ranking.

Urgent Quest giant monster, Ostoderuwa was so tiring to solo, so I got back out to the real world and fought it by playing the game.

It went well fighting it from the real world like this, but somehow I don't understand this monster, which was covered in bones, very much.

Anyways, the weight of the monster's blows is also different when it comes to higher ranks.

Because of that, first I'll kill the Nekogakurunya to obtain the S-grade Nekoga equipment, doing the Key Quests I'll be able to reach HR – which is the highest rank before Top Rank – then I'll break-through and rise to HR7 rank to be able to accept the quest of killing the Old Dragon Shagamunakora, after many times of defeating this dragon I succeeded in creating the S-grade Shagamu Heavy Gun.

(TN: Hebii is referred to the HebiiGan/HeavyGun in chapter 1)

I stuffed full the item slots with ornaments and fully charged enhancement stones, feeling satisfied, I put on a super strong skill as ballistic enhancement.

Of course, whenever I got tired of studying, I'd go on hunting and if I felt horny I'd go to the brothels, I also went back to YukiYami Village for a whole night of Delivery Health.

Kashima-chan, Freya-chan and Rachel-chan still give me lots of service as always, Reimi-chan and Anri-chan were also happy to see me coming back and got really heated up in servicing me.

Once, Reimi-chan was busy so I took Anri-chan alone for the whole night, together with Anri-chan's libido, we had sex until we both sprawled like mud, at the end Anri-chan was madly panting like a beast.

When I rose to higher ranking, I ran into shortage on gold, but there's a Relief Quests for hunters like this, 「Blaze Coal Mining」 was the name of the quest.

(TN: Actual line: Dig up a lot of coal okay?)

If you clear this quest, it will give you a massive amount of Skill-supporting Gems, in addition to that you'll also obtain another massive quantity of rare ores, which can sell for a very high price.

After gathering and selling the ores, I got 1 million gold out of that, problems regarding gold shortage was solved.

Then, since the earnings of effortless money also has other aspects, I only did the coal mining moderately until I found a suitable amulet and then stopped. Thanks to the amulet, auto-aiming system for skills is now possible.

My current equipment is high quality, my studies are going well, and also, relationships with women are also going well.

When things are like this, it is a sad nature of a man that I wanted to flirt around a little.

Thus, I returned to the real world and researched on Red/Blue Line, with the mentality of wanting to enjoy a light play I headed to Hot Spring Village.

Hot Spring Village sex service

New chapter... delay because of Majikoi addiction.

As planned, I used the Blimp to go to Hot Spring Village.

This Hot Spring Village is the next work after Yukimura Village became the base village for 「Dragon Hunter Portable DOS」、it is the base village for 「Dragon Hunter Portable TRY」。

With a lot of hype it became an even bigger hit than the previous work, this software was highly anticipated and the answer was this 「TRY」, which was a huge success.

Hot Spring Village has completely changed since the previous Dorahun Series, now the streets give off an image of 「Peace」.

Thus I went into the game to take a look, steam from hot springs were building up everywhere in the village, the smell of sulfur was also floating around.

In the normal version Dorahun Cross, entering the hot springs was not possible, you could only use hot footbath, but since I'm actually living inside this world and actually entering the village, I was able to soak into the famous hot spring.

I stood up from the hot spring and had a drink, I took a tour walking around the village, I get it now, Reimi-chan and Anri-chan were right, this place is more for tourists, there were brothels but their appearance weren't flashy or eye-catching.

I treated the invitation of barkers properly and went into an alley on the other side of the spring as I heard from a youth in the village who seemed to be into erotic things.

The Sun was setting so it was dark, and that alley wasn't well lit either, it was gloomy.

Upon closer looking, there were several 2-storey buildings that looked like bars where the lights were suppressed.

I approached a suspicious-looking bar, a barker came out to invite me without delay.

「What do you say、onii-san、1 000 gold for an hour、it's real sex、and the girls are good」

Since I already got used to the custom, I pulled out 300 gold from my Hunter Card and gave it to the barker.

「This.....hehe、thank you」

「Introduce me the most beautiful girl with the best service」

「Then it must be 「The Hot Spring Flower」's Yuki-chan.....her reputation is very good」

「Then、I'll take that girl」

「Yes、this way please」

I followed the barker, a humble signboard with a garden lantern hanging came into view, I was guided to a shop called 「The Hot Spring Flower」.

「Miss、this person is asking for Yuki-chan」

The barker opened the door saying so, standing on the other side of the counter was a middle-aged lady with a well defined body, she answered “Got it”.

After the barker left, the middle-aged lady invited me to have a seat at the counter inside the small shop.

I looked at her, so that's how it is, this is the so-called brothel madam it seems.

Aside from me, there are also 2, 3 other middle-aged customers, they looked at me with great interests while sipping their alcohol.

Red/Blue Line is like this, from what I learned from the internet, two to three girls from one shop would accompany the customer, people waiting for their turn would be waiting while drinking and eating at the lower floor.

There was a case at Bubble Mix waiting room where customers sit together in one spot, but when that happens, mutual silence was an unspoken rule. But it's different here, there was a friendly atmosphere running inside the shop.

The owner lady asked, so I ordered tea for drinks, and other customers got

themselves alcohol.

「What’s wrong hunter-san～？ Just have a drink、Yuki-chan won’t be available for quite a while you know」

「No、I’m.....」

...underage, or so I wanted to say, but stopped myself midway.
Right now, I’m inside a game.
Meaning that I’m a game character, so it should be fine.
There is no reason for laws from reality to be applied in a game.
In fact, I already yielded sharp-edged weapons and even used bowgun to take down monsters, but in reality if an amateur did that he’d instantly get reported.
More than that, during my hunts I already had meals consisted of alcohol and cheese with some other suspicious looking chemicals.
That said, nobody would blame me for drinking a little bit of alcohol inside game.

「Then、I’ll have some.....」

I said so and ordered some liquor.

I tried sipping in a bit, my throat gradually became hot as the alcohol passed through it.

~~~~~  
~~~~~

「Hunter onii-san、Yuki-chan is ready、can you stand？」

I didn’t know the pace for the first time drinking alcohol, so when I stood up I was a little staggering.

A Hunter’s body is indeed tough, it wasn’t to the extent of unconscious, but it was perhaps a failure.

When the owner lady opened the curtain inside the shop, from there a long, blue haired beauty with a thin yukata that looked like a pyjama emerged.
(TN: I know he said kimono, but yukata is also under the same category of kimono so...)
Her facial features were somehow transient, but her breasts were huge and attractive.

「Customer-san、are you alright..... ? 」

She inquired me with a pleasant voice, it took some great effort to retain my mind.

「I'm.....I'm fine.....Are you.....Yuki-chan ? 」

「Yes.....can you climb the stairs..... ? 」

When I looked over, there was a very steep staircase, there were two Japanese-style room prepared on the second floor it seems.

「Probably.....it's fine.....nn」

I staggered while climbing the stairs, Yuki-chan clung to me and supported my body.

After climbing the stairs, Yuki-chan opened the sliding screen, I was invited into a gloomy room without even a single candle lit.

Inside the room, there were a small desk and a set of futon spread out.
(TN: Futon is beddings... but since it's kinda different from american bedding I'll leave the romaji there... c'mon, you watched animes, you know what a futon is...)

Yuki-chan took off my equipment and put them into a corner of the room, with only inner clothing on I sat down on top of the futon and we piled our lips.

「Nn.....nmu.....nn.....*tongue sfx*.....」

How do I put this, it was a lot more effective and emotional kissing with a flushed body like this.

「.....Now then、let us begin.....」

Blue Line 「The Hot Spring Flower」 ★ (Yuki-chan)

New chapter, again, delay because of Majikoi lol

Yuki-chan removed the upper part of her kimono revealing her breasts. They weren't as big as Anri-chan but still pretty large, the room was gloomy so I wasn't sure, but her small nipples had a pale shade of skin-color and they were pretty self-asserted.

「Then、please excuse me.....」

Saying so Yuki-chan removed my lower half's inner clothing, the penis that had no power exposed its own unshapely figure.

「H、Huh.....？ This is strange.....normally it should go *binbin* the moment I see a naked woman.....」

「Is it different than this normally.....？」

「Y、Yeah、normally I'm always troubled with the erection.....」

But Yuki-chan didn't panic or scold me, she just gently took the penis into her hand.

「Did you perhaps、drink a lot downstairs？」

「That's right.....that's the case.....sorry」

「Please don't mind it.....this is a usual case.....please entrust this to me.....」

Saying so, Yuki-chan buried her face into my crotch and put the penis without any power into her mouth.

「O、Oh.....」

Yuki-chan's fellatio wasn't intense, but very gentle, using her loving and caring tongue, she nailed the feelings given by it.

(TN: The last bits are troublesome...)

Being rolled around in her mouth with the loving tongue, my meat stick

became brimming with vigor again.

「Nmu.....*suck*.....Nn.....it's hard again.....how was it? Would you like to keep doing my mouth? Or would you want to put it in.....?」

「Un.....I'll do Yuki-chan's mouth for one round.....」

「Yes.....*lick*.....Nmu.....*suck*.....Nn、*lick*.....Nmuu.....」

Yuki-chan serviced me with her loving tongue again and again, I became lots more horny.

Soon I reached my limits.

「Nn.....I'm cumming、Yuki-chan.....」

「Yes.....*liiick*.....nmu.....*lick*.....anytime you feel like it.....Nn.....」

Without restraints, I ejaculated with Yuki-chan's gentle oral service.

「Nmu.....Nn.....*gulp*.....*gulp*.....you let out so much.....」

After drinking the semen, Yuki-chan wiped her dirty mouth with her hand, then opened the hem of her kimono and revealed her secret place for me to touch. Her pussy looked as if was applied lotion, it was really wet to the point of being slimy.

「.....You're already this wet.....so no need for foreplay right.....」

「Yes.....it's ready、please put it in anytime customer-sama likes to.....」

Yuki-chan said so while lying down to the futon entrusting her body to me, I moved to on top of her and inserted in missionary position.

「Nnn !It.....It's hot.....and hard.....Nn..... ! 」

Yuki-chan's insides weren't clamping down tightly onto me, but her entrance was gently enveloping my meat stick, then it slowly got tighter by every movement of my hip, Yuki-chan's gentle characteristics were reflected on her pleasant pussy.

While pistoning her pussy, I rubbed Yuki-chan's breasts as she told me to.

「Nn、Nn.....M、My nipples.....suck them.....an、and tease them please.....
Nnn ! I love it when.....my nipples being played with.....Nn ! 」

As requested by Yuki-chan, I sucked on her boob while rolling her nipples around with my tongue.

While doing that, I sensed a sweet, delicious taste in my mouth as I rolled her nipple around.

「Nmu.....*lick lick*.....Yuki-chan、is this perhaps breast milk？」

「Nn！.....Y、Yes.....it's my constitution.....Nn、Nn、N..uuu！！」

Yuki-chan's breast milk was so delicious, and pure that the core of my head seemed to melt.

Tasting breast milk while pistoning made my head swirl, my hip movements also became more violent.

「Nn！ Nn！ Aaa！ Haa haa.....Nnnn！ I'm.....I'm cumming.....！ Nnnn ~~~~~！！！！」

「M、Me too.....cumming！！」

Though it was soft, when Yuki-chan's vagina clamped down on me tightly, I released a massive amount inside her.

「Haa haa.....I came.....」

「Amazing.....that was wonderful.....」

I felt like becoming addicted to having sex with Yuki-chan.

「Ah.....it's still hard.....but、the time is.....」

The moment Yuki-chan said that, the owner lady called out from downstairs.

「Yuki-cha～n、time's up～！！」

「Ah.....」

Yuki-chan seemed regretful as she clung to me and whispered into my ears.

「Next time you return、you must call Yuki again okay.....that's a promise」

「Yes.....」

Yuki-chan embraced me tightly one last time, then helped me putting on my clothes, she also helped me descending the stairs.

The owner lady offered me a drink when she heard us coming, I was already

drunk so I refused, I paid for the service and left the shop.

The moon is already up in the night sky.

I had a feeling I heard Dragons howling far from the distance.

It's a rare occasion to have such emotions after such good sex.

My heart has been set on returning for Yuki-chan again, going back to the house prepared for me at Hot Spring Village, I fell fast asleep and drifted off away.

The disabled man's hideout, at Bijo Olde

Double release, haha.

A few days later, I did come back for Yuki-chan, and while playing with Kashima-chan, Freya-chan, Rachel-chan and Remi-chan, I also do quests here and there.

My next goal would be the Hookers at Saisho Village, but, even though I would be quite popular with my current equipment, I might as well become a G rank hunter before going there.

(TN: Yup.....Editor-sama.....)

Therefore, to become G-rank hunter, to make easy money, and to obtain Cheat-class equipment, I headed to Bijo Olde, Dorahun Online's main town.

To tell the truth, this is not the first time I came here through Dorahun Online. In the past, when Dorahun was available for PC, I was pretty interested and went here once or twice.

But, I couldn't keep up with the paid-players group and the inflation of monsters, so I put the game away.

In conclusion, Bijoorude is, as far as I'm concerned, is a very familiar place to me.

That said, I don't intend to go back to Dorahun Online for long-term though.

So, for the sake of rising to G-rank, I paid the Basic subscription fee, then bought 'Convenient Hunting X Course' and 'Various Hunter Privilege Course' with in-game money using the method Ayakidou's owner showed me earlier. If this was real life, it would take 8000 yen for all this if you exchanged game money into real money.

Then, for my Heavy Gun protector I bought the Elena kit, for my long sword I bought the Nyaroru kit, and to further strengthen my Heavy Gun's sighting I bought the Fleet kit.

This too, would cost around 9000 yen in real life, but since I'm using in-game

money, it's free.

I climbed the stairs of the rocky valley Bijo Olde and received the claim tickets for my purchases from the receptionist lady Yufie-chan, they were sent into my Item box.

Immediately receive quests to raise rank is good too but, right now I have some free time, so I headed towards the most erotic-looking furniture store of Bijo Olde where the old man lives.

(TN: He's talking about the disabled old man who gave him the game)

As I approach him, the old man of the furniture dealer hid the fruit being held by both his hands behind his back.

In the past, this old man is needed for obtaining a powerful ornament called 「Herculean Strength Sphere」, but after delivering the quest Herculean Strength Sphere nobody ever approached this perverted-looking old man again.

I occasionally visited this place for the sake of decorating My Gallery, and this old man is presently the most leisure person in Bijo Olde.

I chose suitable furniture to buy and talked to the old man.

「Hey、uncle、where are brothels and strip-shows？」

「Hm？ Ah、that's ahead of the path beside the hair salon。
You seem interested.....hehehe」

「Y-Yeah.....」

Since I got the location, my business with this old man is done.

I walked towards the blacksmith, my protector and weapon were all ready to pick up.

Even the unenhanced protector, without being +3 and high-class earplug, still easily exceeded 400 in defensive strength.

A powerful protector in Dorahun Cross is only 300 in defensive power, so this is more than enough, but to reach G-rank Cheat-class equipment like this is needed.

And my weapon, for short, it's a Lizard Mortar.

This is a cashed weapon that can shoot bullets of any attribute, then when I

become G-rank and it evolve to Serpent Emperor Mortar, my offensive ability will easily reach 600.

Dorahun Cross heavy guns are around 200 in offensive ability, so this thing is exceptional.

Moreover, the gun-like design of this weapon looks badass.

I immediately put on the Elena kit and equipped myself with the Lizard Mortar. There are 4 colors available, so I tried choosing red uniformly for everything. The Elena kit is pretty cool with a gunman look. I decided to go show this off to Kashima-chan.

Equipment all prepared, for some reason I strode through the steets of Bijo Olde. After confirming the location of brothels and strip-shows, I took a look at the plaza.

Since this is Dorahun Online, many receptionist ladies were around. The girl named Yufy-chan I got my equipment claim tickets from earlier is in charge of General Information at the plaza, Demeter-chan who likes cheese is in charge of Tournament, the energetic twin-tailed Hilda-chan is in charge of Route Quests, the girl with glasses is Anetta-chan and she's in charge of Item Market, cool but kind and is popular with the hunters – Enis-chan – is in charge of General Quests, and then Mizuho-chan, who is called 「This guy's feet definitely stinks」 「Molder feet」 「Stink feet Mizuho」 on the internet, is in charge of Series Quests.

There's a reason all the hate was directed at only Mizuho-chan among these girls.

People usually crowd around Enis-chan to receive General Quests, so sometimes, because of the congestion many people would mistakenly talk to Mizuho-chan standing right beside.

This makes some people irritated because they were in a hurry.

With such circumstance, plus Mizuho-chan stands there 24 hours a day with stockingless boots, hence the name 「This guy's feet definitely sink」.

Well, in reality, every girl was cute and beautiful.

Since I don't intend to really play the whole Dorahun Online, I'm not interested

in pathfinding, festival participation, tower investigation, or a subjugation of a giant monster with groups of tens of people.

In the end, my purposes are to become G-rank, enhance my cheat equipment, make money and do women.

So, though there are many receptionists here, I only talked to Enis-chan who is in charge of General Quests and Anetta-chan who is in charge of Item Market, then I also talked to the 「G-rank Receptionist Lady」.

For hunter rank tests, it is essential to talk with the Guild Master woman, who wears a one-piece dress, but basically I'll be speaking with these 3 people.

(TN: I researched, apparapa is just a one-piece gown)

By the way, the previous Guild Master was a mini-sized Dragon-race old man, but it was refined and a young, chindonya-looking Guild Master was swapped in place of him.

(TN: [Chindonya](#))

Perhaps, it's something with adult circumstances involved.

Back on topic, this dragon-race G-rank receptionist woman is extraordinarily cute and beautiful.

Her skin is as white as white porcelain, her eyes were ruby red, her hair was the color of peach with the front bangs covering her forehead, the hair itself was tied into a side tail neatly.

She wears a green and white apron dress, and always has with her a parasol.

As for when people that aren't G-rank talk to this G-rank Receptionist,

「I'm sorry、this place is for those who deal with very dangerous Quests」

she deals with them appropriately.

Back when I was playing in the past I wasn't G-rank, I too talked to her out of curiosity so I have some memories about this.

But, this time I have firm determination to become a G-rank.

So, I tried talking in a playboy style.

「You seem to have some free time？」

「.....I may look like so、but I'm actually busy dealing with G-rank quests」

「Just telling me your name is fine right ? 」

「I'm Primula」

I know.

I know that name was determined by public appeal, I also know she's been called 「Dragon Child」 widely on the net.

「Hey、 what if.....」

「But now、 I'm busy」

(TN: URGHH.....the Japanese sounds a lot more feminine and gentle.....)

「If I become G-rank、 how does letting me embrace you sound ? 」

The receptionists around became noisy.

Primula laughed scornfully.

「Many hunters have aimed for G-rank、 and then collapsed、 you don't seem to know about this。

If you're in Bijo Olde for such resolution、 you'll die you know」

Ah, so it's this kind of setting.

In real life, players aiming for G-rank giving up are as many as a whole swarm, but with the game's system, there's absolutely no death.

「We don't know yet right ? There is a possibility of me becoming G-rank、 at that time、 reward me by letting me embrace you」

「Ah、 hai hai、 only if that happens okay」

Primula said so carelessly to drive me away.

「OK、 we have a deal、 everyone remember this for me」

The receptionists around slightly nodded.

Thus, for the sake of becoming G-rank, I received quests at Bijo Olde.

Aiming for G-rank

New chapter, short one actually.

Currently, Dorahun Online has become a balanced game where you won't have much trouble rising to G-rank.

But even with that being said, you need to raise your Hunter Rank to 999 in order to go to G-rank, also your skill rank too, must be 999.

If you did some serious calculating this would take a lot of time, but I want this to be quick so I already purchased Premium Course and Hunter Support Course. With this, my rank points received after clearing quests would increase by 3 times the original amount.

In Dorahun Cross, the highest rank before HR-limit-release is HR7, but in Dorahun Online's case, the HR is separate from the other one so I'm only at HR1 right now.

That said, it seems like a long way to G-rank, but there's a really good quest for HR and money raising.

For the time being I went ahead and killed the low-level Teacher Rooster many times to quickly rise to HR31.

(TN: ティーチャー・コック → that's the name of this thing, I give up)

Now, the purpose of buying the Premium Course kicks in.

With the Premium Course, I can receive Premium Quests and receive tons of hunter points as a special privilege.

First, I went to the Red-light district and had fun with Freya-chan and Rachel-chan, then I went to challenge the Premium Quests with a refreshed mood.

My opponent for the Premium Quest is Kusokong.

(TN: It's a Damn Kong lololol)

This monkey, it can attack with Fart-strike, Poop-jump, and Bad-breath, the worst monkey ever, you will not want to meet it in real life, but its attack pattern

is simple so hunting it was easy.

Then, I spent 3000 yen more for the Hunter Support Course, so I got a special privilege to hire a 「Legend Hunter」 to accompany me doing quests.

These Legend Hunters are an eccentric bunch so they aren't the subjects of persuasion, but they're all powerful idiots it made hunting a lot easier.

Since I'm a gunner, I took the twin-sword legend hunter 「Plum」 with me.

This person 「Plum」's personality is、politely saying 「Natural Airhead」、impolitely saying 「Idiot」、but he's godly strong.

So hunting Kusokong was very easy, and my hunter rank steadily rose.

Then, the good part of this Premium Quest isn't only just that.

Clearing this Premium Quests give you 「Olde Ticket・Sakura」 depends on how many times you cleared the quest, these tickets are raw materials but it would sell for 50,000 gold/ticket if you put it on sale instead of using it as a material.

With that in mind, I'll go do a woman every 3 times clearing this quest, and I'll keep up that pace to raise my hunter rank while earning money.

Then when I got to HR200, I got tired of simple work.

As expected, not one moment has passed in real life, so there was no meaning in keep doing the same thing again and again.

As expected, I should do something new.

I made a new decision in my heart, to challenge a new kind of sex service, I head towards the side path of the beauty salon where the Strip Show is.

Strip-show 「Olde Theatre」 ★ (Dance)

After a short chap is a decently long chap.

There is a strip theater 「Olde Theatre」 at the end of the street where some equally built brothels were.

It was a comparatively large building built with thick black planks, but even with soundproof methods, you can still hear the heavy *zun zun* sounds of deep bass from inside.

I asked to buy a ticket at the ticket window.

「Is there a time limit ? 」

「If you pay the entrance fee then they don't care about limit mit、but、if you go outside once the ticket will be invalid」

The young man selling tickets passed me one while saying so.
The price was 1000 gold.

I went through the curtain, opened the door, and entered the theatre.

On the side of the door, an orchestra was playing an uptempo song.

The stage has a special form, it's in the middle of the audience as a prominence part rose up from the ground.

In the gloomy audience, there are about 10 customers sitting scatteredly, but the sides of the stage where you can touch it were occupied by a few middle-aged hunters.

(Are these guys enthusiastic fans..... ? But considering that、the clapping rhythm feels half-assed though.....)

Right now, a dancer is showing a dance accordingly to the music.
Her clothes were really revealing, her dance was also pretty extreme, but no stripping yet.

(I wonder when is she going to start stripping ?)

I sat into a seat where it's easy to see and clapped my hands to fit in with my surrounding.

Then, the music ended before the strip.
'Oya', I was thinking that when the lights changed to pink, and this time the music is moody.

The dancer completely changed from the earlier violent dance, and a charming dance started, matching the music, she took off her jacket, bra, and panties.

Her pussy seemed able to be seen, but she arranged her footwork skillfully so her 「Article」 could not be seen while she dances.

(Well, it is what it is.....)

I enjoyed the dirty dance in this suspicious atmosphere.

Soon, the moody music came to an end, this time the lights changed to bright red, the dancer began clapping her hands.

(.....what ?)

When I look, this time the dancer is matching with pop music, she stood and let the customers see her pussy, she spanked her ass while picking up the rhythm.

The dancer, in order to be viewed by a variety of customers, changes her angle, with various poses she showed her pussy.

I have inspected pussies many times in brothels and 'health delivery', but seeing a woman like this in this atmosphere makes me feel the charm.

Soon the dancer sat down on the side of the stage right in front of the customers, wiped their hands with a towel and let them touch her boobs and pussy.

She sat there and let people around touch her.

(Ah, the purpose of crowding at that location, is to touch the dancer huh.....)

In other words, this is the 「Ringside seat」, or so I convinced myself.

The dancer conversed with the customers with a smile while they touched her, but she didn't seem to feel anything from that.

Next time I sat in that location, trying to make use of my AV knowledge to satisfy the dancer would be nice, or so I decided in my heart.

Soon the music ended, the dancer bowed and disappeared into the wing of the stage.

~~~~~  
~~~~~

After that I saw a few more dancers, but the stripping seemed to be basically the same.

First the dancer starts off with a different outfit, and performed a normal dance with the uptempo music.

Next, she gradually takes off her clothes with a moody dance.

Finally, she performs a dance that emphasis her pussy as customer service, then let them touch her body.

Apparently this 3-step-process is introduced as a set for every dancer.

Since my mood has elated quite a bit, I decide on going to a nearby brothel and leave my seat, but the customers started to get excited.

When I looked, a new long violet-haired dancer made her appearance.

「Fina-chan~！！ Look over here！！」

The customers cheered.

She's certainly beautiful, but why did they get this excited I wonder？

I was curious so I stayed and watched her dance.

Her first dance was different from the other dancers' set.

She started stripping bit by bit right from the beginning with the moody dance, there's only some decorative clothes left on her waist, it was charming.

It's true that dancers are expected to have narrow waist, but her breasts are normal-sized, and her dance wasn't superior compared to other girls.

But the audience went crazy, they applauded intensely.

That dancer called Fina-chan, while dancing she winked at the bewildered me.

Before long the moody music ended, the lights brightened up, Fina-chan called out to the audience while being naked.

「Now then、Rock paper scissor which is it？ Rock、paper、Scissor！」
(TN: She's a scissor)

Lured in by the momentum, I pushed out my hand in a Rock.

「Then、Paper people please sit、we'll keep going okay？ Rock、paper、Paper！」

I won again by using Scissor.

At this point I understood about this.

(Probably、this is the so called Chopping Board Show！)

I also won the next round, it's only me and a full golden armor middle-aged hunter left.

「Now then、since there are only two of you left you'll have a duel okay？ No hard feelings okay？ Rock、paper、scissor！！」

With all my might I defeated the middle-aged hunter with a Rock while he had Scissor！

「Guu！ I went out of my way and prepared all these equipment with LUCK stats.....！」

The middle-aged hunter sat down while being upset.

「Hai、now then、the cool-looking onii-san over there with Elena equipment！ Please come onto the stage~♥」

As told, I moved myself onto the stage.

Strip-show 「Olde Theatre」 ★ (Chopping-board Show)

Double release.

Coming onto the stage I stood in the middle, my equipment and lower-half inner clothing was quickly removed by Fina-chan.

While looking at the dirty dance earlier, my 20 cm cannon has already gone full erect, the customers below went “oooh”.

I understand their feelings.

A man unconditionally holds feeling of worship towards a big cock.

「Huuge♥ Then、I'll taste it a little okay」

Fina-chan knelt in front of my daunting meat stick and put it in her mouth.

「Nn、Nn、Nn、*slurp*」

Fina-chan's fellatio wasn't the kind that seriously make you cum, but she matches her lips movement with the music, it was a simple method.

「Puwah、it's already hard、so we won't need more fellatio to make it rise、now、please lie down here with your face up okay ?」

As told by Fina-chan, I lied down at the middle of the stage facing up like I was sleeping, Fina-chan then straddled me in 69 style.

「Cum strongly ! Niichan !」

A customer mocked me.

Fina-chan already had my meat stick in her mouth, it wasn't the same earlier fellatio, while picking up the rhythm with the music she stickily pestered me.

「Nmu、Nn、slurp、sluurp.....lick.....」

I don't know about when I was a virgin, but now I'm a man that has done lots of women already, this degree of fellatio can't get me to cum so easily.

When I started playing with her pussy, we both began to slowly take our time

on the stage.

(TN: Definitely needs Editor-sama)

But somehow, to look at Fina-chan's pussy, the customers gathered around the stage area.

But that's that, I stimulated her with my techniques to my heart's content, I stuck to Fina-chan's pussy, inserted 2 fingers and dug into her G-spot.

「Nnn ! Nmuu ! !」

Fina-chan's back twitched, her rhythmic fellatio was disrupted.
Well then, I'll fully torture you.

I rolled Fina-chan's clitoris around with my tongue, pecked at her G-spot, and massaged her boob with my free hand.

「Nnn ! Aa、no ! Cumming ! ! Nnn~~~~~n ! ! ! !」

Fina-chan stiffened her legs and lifted her lower body as she reached climax, I removed my fingers from her pussy making a sound.

「~~~~~♥」

Having my fingers suddenly removed, Fina-chan stuck out her hips and blew a tide.

「She came ! She just came ! !」

The customers started to applaud.
Fina-chan leaned onto my body and caught her breath, then she kissed my meat stick.

「Haa haa.....it's been a while that a customer makes me cum.....this time I'll make you cum♥」

Saying so Fina-chan changed her position into a cowgirl, my meat stick was swallowed by a meat jar.

Fina-chan wiggles her upper body moodily while shaking her hips and torture me.

On the round stage, we banged our hips into each other.

Fina-chan's insides were tight as expected of a dancer, she tightened strongly

on me, but I also have the willpower of men, and we're before the eyes of people, I can't afford to be finished too early.

(TN: I swear to god WTF does being a dancer have anything to do with tight vagina?) Then with both of us not giving in, we reached our limits.

「Aaa ! No ! Cumming again ! ! Cumming ! ! ~~~~~♥」

「.....Me too.....cumming..... ! 」

Fina-chan clamped down on me tightly, so I released a massive amount.

Obscene mixed fluids flowed out from our crotch, the audience resounded.

「You're good ! Niichan ! 」

Fina-chan while panting roughly, whispered into my ears that only I could hear.

「Haa.....haa.....customer-san、do you want to do it.....in private ? This、is my address and schedule.....」

Before I knew it, she secretly shoved a business card into my hand.

「.....is this ok ? 」

「Because.....customer-san is so amazing♥」

After that, as if nothing happened, Fina-chan wiped her body and put my equipment back on me.

As I descended the stage, applause were directed at me.

(.....Hn~.....'free pussy get' was nice、but I wasn't satisfied.....let's go to the nearby brothels then)

I left the theatre and went to a brothel.

Bijo Olde's Red-light district have window shop brothels, so checking out the girls first was possible.

(TN: That's Amsterdam for ya)

It's good that I can call a specific girl, but they focus too much on rotation of the girls, it's not possible to buy a whole night like in the Red-light district of Dorahun Cross.

(TN: He's in Dorahun Online at the moment)

I tried to buy good-looking girls 3 hours for 5000 gold, they looked good but

the service was careless and it didn't feel that good, for that reason I used the blimp to go to Elna Village's Red-light district and picked Kashima-chan, it felt great, I ejaculated many times and called it a day.

Reality Change

Interesting chapter, very interesting.

That same afternoon, I continued my life of hunting Kusokong and doing women.

I also come play with Fina-chan 'in private' several times, unlike the silliness in the theatre, in private she acts spoiled and likes to be tormented.

(TN: Basically a spoiled M)

I also like that side of her, so I fuck her to my heart's content.

Since the strip-club 「Olde Theatre」 has a lot of regular customers, I didn't get to seat in the front row all the time, and since last time I haven't been able to win the Chopping-board show.

Since Bijo Olde is where a lot of hunters gather, the brothels focus on the rotation of the girls, they just concentrate on making the customer cum, it pretty much turned into a bad experience.

I couldn't agree with that way of doing things because the girls also want to feel good, so after building up my mood at the Strip-show I go back to Elna Village and other villages to do Kashima-chan, Freya-chan, Rachel-chan, Remi-chan, Anri-chan and Yuki-chan.

(TN: geezus krist.....this is his whole harem)

With that my hunting business and woman affairs are fulfilled, but there's still one thing that bothers me.

Today I passed by Primula and her face became cramped, I subjugated the Kusokong and went pass HR500, I came to receive the Olde Ticket • Sakura but.....。

I tried to sell the tickets on my hand as an experiment, and my money reached its limit.

Normally in Dorahun Online, you can have infinite gold, but I'm different, I

haven't used money in any other than sex, except for my cashed weapon protective gear.

By the way, money and rare materials were used in enhancement of my protective gears.

The max limit of gold possessed is 9,999,999 gold but if I sell all the Olde Tickets to reach that max value, I still have room to stock up more tickets. (TN: This is like gold IRL, aside from the bills they stock gold) I was troubled of what should I spend money on then I suddenly got an idea.

If I can bring Items back to the real world, then I should be able to bring gold back right ?

As an experiment, I tried bringing 6 million gold, which is equivalent to 60 million yen, and returned to the real world after a long time.

I returned to the real world and looked around my surrounding, but there were no bank notes lying around.

I had a bitter smile that said 'not working as expected', that day I just went to sleep.

~~~~~  
~~~~~

Next morning.....o

It's been a while since I had breakfast in real life, but my mom made a weird suggestion.

「Hey, you, I understand that you have composure because you received an A, but shouldn't you enroll in around two more schools just in case ? 」

「It costs money you know」

「It's fine、I'm paying the fees with your savings so it's okay」

「.....HA ? 」

What a ridiculous thing to say.

The private test charge and entrance fee are a huge sum.

Even if I quit university the entrance money won't be returned, I'll go bankrupt with that.

But my mom continued to speak without minding it.

「You have 60 million yen in your saving account anyway、shouldn't you use it to pay for school? That's enough for 2 schools.....」

「Wa、Wait a minute、my account have how much? 」

「I said、there's 60 million yen in your account、just a little of that is enough for entrance fee.....」

「.....somehow、this morning I woke up my head's not working.....can I see my bankbook? 」

Then my mom was irritated but she brought me my bankbook.
I opened it, and there's more than 60 million yen recorded in there.

「.....I think I'm getting senile.....why is there so much in my balance? 」

「What are you saying。
Didn't your great-uncle left behind your share of inheritance to pay for school expenses before he died?」

My great uncle is indeed a pretty rich person with his small trading company, a small part of his inheritance should be here with me, a majority went to his son, and the rest should've been donated.

.....is reality changing..... ?

「You too, if you have this much then give your parents some」

「Y、Yeah、I'll think about it.....」

「I'm joking、make good use of your money」

I went to school today and decided to head to Ayakidou to hear about this.

~~~~~  
~~~~~

「Is it inconvenience? It's all good isn't it」

The owner of Ayakidou said so nonchalantly.

「But.....a game that changes reality.....it feels kinda scary.....」

「Fumu、then let me ask you、what's reality? 」

「Uh.....Um.....That's.....」

For me, I've been inside the game a lot recently, I feel like the boundary between the game and real world is uncertain.

「Reality is no more than the recognition between people.....if you keep worrying about things you're uncertain about, wouldn't you get worn out ? 」

「.....please tell me one thing、even if I bring stuff into real world from the game、reality shouldn't collapse right ? 」

「Reality this reality that、just soften your thoughts、you don't need to worry about every single uncertain thing」

「.....o-kay.....」

「Well、if you feel insecure then come ask me again。
But yeah、it's fine to just think about having fun and enjoy it」

「.....Y—eah.....」

There are still things I'm not convinced about, but in the end, I decided to go into the game and have fun.

The bottom line is that, as expected it's pleasant to go embrace a woman.

Bijo Olde’s flower, Primula ★ (Seaweed Sake)

Double release again, 7 chaps left in this series.

Decided to just have fun, I successfully raised my Hunter Rank and Skill Rank to 999.

Of course, I do have sex during break time, I embraced women hundreds of times so my skill in this subject also went up.

I gloriously walked towards where Primula is, and took the test to rise to G-rank.

「.....that promise、you haven’t forgotten right？」

「.....I do remember.....」

「Hehe、then see ya later」

(TN: HAHAHA)

Then to rise to G-rank, I went to fight the Jankuen.

~~~~~  
~~~~~

Jankuen is a monster that has the same design with the Chinese dragon, hunters will have to fight it while riding an airship.

But well, I have the enhanced cashed protector, then because I played solo in Dorahun Cross with Bushido-style I can evade attacks, my offensive ability 「Gunpower Laying」 is also enhanced.

In addition to that, since I can also use Dorahun Online’s secret technique 「Compressed Destruction」, the Jankuen flinched in a funny-looking way, thus I successfully and beautifully defeated the monster.

~~~~~  
~~~~~

I go back to the plaza of Bijo Olde, after finishing various tasks at the Guild

Master, I became a G-rank hunter.

While being observed by other receptionists, I spoke to Primula.

「Yo、I became G-rank」

「.....congratulations」

「Tonight、come to my house、I'll be waiting」

(TN: Hahahaha he uses katakana for 'my house' and it sounds funny AF) 「.....I get it already.....」

I went back to my house with an euphoric mood, and started preparations for tonight.

~~~~~  
~~~~~

That night.....。

I arranged candles here and there, then the mood was escalated as Primula came to my house.

「.....Ara、you have surprisingly good taste」

「Royal cheese and Bless wine are all prepared、want a drink ? 」

「.....then excuse me」

「Oops、before that.....」

I hugged Primula tight, stole her lips, and entwined our tongues to my heart's content.

「Nmu.....slurp.....」

「.....there's no resistance huh ? 」

「I watched over many of your work.....you took down a lot of monsters、you're the hunter who have made significant contribution to Bijo Olde、I'm not going to reject you now.....」

Ah, so that's how it is.

I just single-mindedly hunted Kusokong to rise to G-rank after all.

It's clear now, in Primula's eyes I'm a heroic figure with long history of military

service.

「.....I'll take your clothes off」

「.....yeah.....」

I took off the defenseless Primula's green and white dress, and picked up her panties.

Primula's boobs were small, but on top of her breasts were cute small pink nipples.

Her pubic hair was extremely thin, the pink pubes were so thin I couldn't really see it.

The moment I saw that, I thought this is really good.

「Sit on the bed、and close your thighs」

「.....？ Okay but、what are you doing？」

Doing as I told, Primula seiza on the bed and shut her thighs tightly.

I picked up a cup of Bless wine, then poured it into her V-shaped zone.

「Wai.....！ Wh、What are you doing！」

「Close your thighs.....the wine's going to spill」

I buried my face into Primula's crotch, her pubic hair fluttered in the wine, I slurped the wine.

This is not seaweed sake, it's seaweed wine.

「Nn！ Nnn！！」

While drinking the wine I took the opportunity to lick her pussy, Primula sensitively reacted.

「Let's begin.....I'll lick you like this」

I opened Primula's thighs, and started my cunnilingus.

Bijo Olde's flower, Primula Part 2 ★ (Rapid Sex)

6 chapters left in this series.

「Nnn.....Aa.....Huuu ! N~~~~~n ! !」

While licking her I put my finger into her vagina and stimulated her, she's not on the level of Rachel-chan but she's still pretty sensitive, she clamped down tightly on my finger.

「You tightened up a lot.....you're not used to these kinds of things？」

「.....H、Hmph ! D、Don't make a fool out of me.....Nnn ! I、I've been living for a long time.....Nmuu ! I、I have a lot of experiences.....Aaa ! !」

Primula is crying out in piledriver position, so I got more passionate with the cunni since I thought it's interesting.

「Nnnn ! !y、you're pretty good.....Nnn ! B、But there was someone using this technique、higuu ! I、In the past.....Nnnn ! !」

Right, she's a dragon-race so she has a long lifespan, of course she has experience.

It became interesting that the character that become a Nendoroid is suffering under my hands, I used my tongue techniques to roll and lick her clitoris, also my finger skills were used to torment her G-spot violently.

「Hiaaa ! What's this ! ? Cumming ! C、Cumming ! Cummiing~~~~
~~ ! ! ! !」

Primula tightened up on my finger like a vise, her body convulsed as she climaxed.

「Haa haa.....」

「You can't be satisfied with just this right ? I'm putting it in」

「Wai..... ! I、It's fine、I、I'll finish you up with my insides.....」

I'm absolutely making this woman go "hii hii", I inserted my big cock into her

narrow pussy.

「Nn ! Nnnn ! ! 」

~~~~~  
~~~~~

~First round~

「Ah Ah Ah、w、wait、cumming、I’m cumming ! Nn~~~~n ! ! ! ! 」

「Uwa……you clamped down so tight……alright、I’m cumming too……」

I released my first load into Primula’s narrow pussy.

「Haa haa……Eh ? W、We’re continuing…… ? 」

Primula asked seeing my hips began to move again without care.

「Isn’t it obvious……you’re accompanying me until I’m satisfied」

「H、Hmph…… ! You’re going to go limp soon enough right……Nn、Nn、I、I’ll play with you until then……」

~~~~~  
~~~~~

~Sixth round~

「Ahiyauu ! ! I、I’ll break、I’ll-b-reak ! ! I、I’m turning weirhiyauu ! ! It feels weirhiyauu~~~~っ ! ! ! ! 」

(TN: Mr.Translator died here, she’s speaking broken words while orgasm………)
This is my sixth ejaculation, but Primula climaxed more times than that.

「Not yet not yet……next is fucking from the back」

「N、Noo……」

~~~~~  
~~~~~

~Eleventh round~

「I’ll die ! I’ll ie (die) ! I’ll really ie (die)~~~~ ! Nooo ! Pleah sop alheady……I’ll do anything you say……sho pleaaaah……」

(TN: yeah she broke so………)

「OK、then、become my personal meat toilet alright ? 」

I made my last spurt while making sure of that.

「I ill (will).....I'll do it so.....Ah Ah Ah Ah ! ! Amahing (amazing) ! His (This)
iz amahing~~~~~ ! ! ! ! ! 」

「OK、cum ! ! 」

「A、ahhhhhhhhhhhhh~~~~~ ! ! ! ! ! ! ! 」

I ejaculated magnificently to finish.

「K、Kumming、ama、amahing~~~、my inhide (inside)、it's shlapping my
inhide.....」

「Good good、from now on I'll do you anytime I feel like OK?」

「ye、yezz.....♥」

I fed Royal cheese to the completely exhausted Primula, it was soaked in Bless
wine.

「Id (it) taste gud.....mahter-shama (master-sama).....」

「Good girl.....」

~~~~~  
~~~~~

Next morning.....。

I woke up seeing a bright red Primula and she threw a pillow in my face.

「What are you doing」

「S、Shut up ! Forget about yesterday ! You heard ! ! 」

Primula is combing her hair hastily, she was wearing her dress.

「Eeh~.....didn't you become my meat toilet ? 」

「Y、You..... ! Y、You're a sex monster、I don't know what you're gonna do if I
leave a beast like you loosely alone、so next time your lust piled up come to me
again ! You heard that ! ? 」

「Ye~eeh」

So that means, I successfully got Bijo Olde number one flower Primula as my meat toilet.....right ?

Hookers at Saisho Village

Double release, 5 chapters left in the series.

After rising to G-rank and embracing Primula, I went back to reality for a moment to confirm the configuration of some skills that can be used even in early G-rank, then went back into the game.

Though I could make my enhanced equipment into accessories in Dorahun Online, I don't intend to get too into Dorahun Online, so I'll go on some quests to obtain simple accessories.

Of course, during my time doing quests I still stop by the brothels, the moment Fina-chan is off duty I came and spoiled her lots, and if I feel like it I'll call Primula and make her ahegao many, many times during orgasms.

Recently, whenever I go to the brothels Primula scornfully glared at me while doing her reception business, but I didn't pay it any particular mind.

Then once my G-rank equipment is completed, my questing business at Bijo Olde came to an end, but of course I still come to embrace Fina-chan and Primula from time to time.

In conclusion, my top priority right now would be to show off my G-rank equipment to the Hookers, with that in mind I went to Saisho Village. (TN: First village sounds a little weird, so I'll leave the romaji there) Sasho Village is the starting town of Dorahun Series and it's also 「Dragon Hunter」Offline's base village, it's an extremely nostalgic place for players who have been playing since the beginning of the series.

As usual I asked an ero-looking youth in the village about the streets where the Hookers are, then I openly went to buy a woman during broad daylight.

When I entered that street, I wore low-level equipment, really weak-looking female hunters were killing time leaning against trees, but when I showed signs of looking for a specific girl they started bustling and gathered.

「Onii-san、I've never seen those equipment before、what are they？」

「Ah、this？ It's Elena equipment、they're from Bijo Olde」

「He~.....equipment from there huh.....do they have skills attached？」

Because one of the women asked, I told her what I remembered about the skill configuration.

「Lessee、Bargain+5、Sharp-shooting、Offense UP【Great】、Power-shot+3、Flame-strength+2、Recoil Reduction+2、Flash+1、Penetration Gem・Penetration Arrow Power UP、Fast-eating、Defense.....that's all」

(TN: Not sure about "that's all")

When I told them my skills, the girls got noisy.

「Bargain+5！？」

「Why's the number on that skill so big！？」

「There are even skills I've never heard of！？ The heck are Power-shot and Flash！？」

「Ah.....you never heard？ they're G-rank skills so.....」

Hearing me said so, the girls got even noisier.

「G-rank！？」

「That's lie right！？ How much is your Defense！？」

「Hmm.....around 1400 I think、if I put the claw amulet on it would rise a bit more」

In Dorahun Cross, powerful swordsmen only got 600 Defense, and gunners only got 300 at max.

The girls' eyes had fear and anticipation mixed in.

「U、Umm.....onii-san is here to.....buy women right？」

「That's one reason、I went all the way here so I'll also look for a hunting partner.....」

「W、We can't handle G-rank quests！？」

「There isn't any G-rank quests at the moment、I thought there already are

people helping with the work of the Dragon Institute but.....」

The girls obviously flinched.

Let's see, there wasn't any strong hunter, no beauties that caught my interests either.....I thought that while looking around, then I noticed a blond short-haired girl with a greatsword fearfully looking at the situation here from the shade of a tree.

That girl looks like she belongs to first-class category among these Hookers with Swan Dragon equipment on her, but that became trivial before her huge breasts, her facial features were timid too, she's the kind that attracts men.

With just one glance I understood that these boobs are two sizes bigger than Anri-chan, it's probably over 100 cm.

「.....is that blond girl skilled ? 」

「Eh ? A、Ah、Akane-chan ? She's skilled、but she's so timid、that's why she couldn't go to the top」

(Tn: Not to sure about this)

「Hmm.....」

I briskly approached that girl Akane.

She seemed to run away, but I gently held her hand back, then asked about the price.

「Oi、how much is one night with you ? 」

「M、Me ! ? U、Umm.....I do take one whole night、it's 6000 gold but.....u、umm、rather than me、other people are.....」

I was a little confused when she used "boku" as a girl, but I kept asking.

「Nope、I'm buying you。」

After embracing you、show me your skills the next day。

Low level Teacher Rooster would be OK right ? 」

「U、Umm.....Teacher Rooster then.....I think it'll be fine.....」

「OK、are we doing it at my house ? Or do you want some kind of inn ? 」

「U、Umm.....we always do it in an inn.....so.....umm.....please take care of

me」

「Got it、an inn it is」

Thus I bought that hooker Akane in broad daylight and took her to an inn.

Big tits hooker girl, Akane ★ (Caressing)

4 chapters left the series.

In Dorahun Series, hunters after returned from quests will be completely recovered in strength, bad effects would also be cured.

‘Save Game’ will also be done by getting on one’s bed, that’s why inns were never really needed.

But well, this is inside the game, so there is normal daily life of people here, there are also travelers, so if you look, you’ll find inns.

Following the hooker named Akane, I arrived at a small neatly-looking inn.

The people of the inn seem to know what’s up, they didn’t say anything even after seeing me and Akane together.

Since I’m going to play till morning, I paid an extra sum of money to the inn staff, because I think that I’ll leave a mess behind for them to clean.

We was led to the room, there was a simple bed and a dresser, a small table for drinking, it’s really a room for the sake of just staying overnight, was what I thought.

「The Great contraception drug is on me alright ? 」

「U、Umm.....I already have the drug。
Because some customers don’t prepare it.....」

「I see、then let’s begin」

I took off my Elena equipment and inner clothing, showing off my fully erect meat stick.

「Hii..... ! It、it’s huge..... ! 」

「You too, hurry up and strip」

「Y、Yes.....」

Akane panicked but she leaned the greatsword against the wall and began stripping Akane took off the upper part of her equipment, those big boobs that could even be seen from below the armor rushed out like *boing* when she stripped her inner clothing.

Akana has a small build, so those huge boobs were emphasized even more.

「.....you、are you famous among the hookers？」

「N、No、how could that be.....because、I'm too shy、I always reject people that don't seem to be kind。

That's why I don't have many customers.....」

「.....then I'm kind？ I don't think so myself」

「Customer-san、you do look overbearing、but you didn't use violence.....‘this person should be fine’ was what I thought」

「.....Hmm.....」

Soon Akane finished taking off her clothes, revealing her stark naked body.

To say the least, her featured characteristic would be those huge boobs, in contrast to the bust, her pink nipples and areola were small, the tips were pointing up on top of her breast.

I looked at her crotch, there was no hair.

「You、did you shave？」

「Uu.....please don't ask me that.....」

「I don't really care、come over here」

Saying so I sat on the bed and slapped my thighs.

Akane timidly settled her petite body on my thighs.

First, I grabbed her boobs and stole her lips.

「N.....！ Mchuu.....Nnn♥ P、Please be.....mchuu.....gentle to me.....」

「.....ok」

After violating her mouth with my tongue, I separated from her lips but kept sticking to her boobs, I massaged her breasts while gently caressing her.

First I'll enjoy these huge tits.....。

「Nn♥ Nnn ! Aah♥ Hiuu ! C、Customer-san、you're skilled..... ! 」

I rolled her small nipple around with my tongue, then traced around her areola, I also rhythmically massaged her breasts, Akane's expressions changed.

「Nnn♥ No ! I'm、I'm cumming♥ Cumming、cummiing ! ! 」

Akane cried out, breast milk jetted out from her small nipple. I tried to taste it, the richness was opposite from Yuki-chan's smooth breast milk, this is more sticky and sweet.

「.....Fumu、you also have breast milk constitution」

「Hiuu♥ Cumming again♥ Aaa♥ Ahhh ! ! 」

Stream after stream of breast milk shot out from her, it was like she was ejaculating with her boob.

I took the streaming breast milk in my mouth, slowly savoring it.

「Haaa.....♥」

「OK、next is the pussy」

Declaring so I reached down to Akane's secret place and felt around it, her hairless pussy was already soaking wet.

「What is this、already flooding isn't it」

「Be、Because.....I.....Hiuuu♥」

I didn't listen to her excuse and stroked her naked clitoris, I pushed my way through the pink folds, once my finger's inside I violently stimulated her G-spot.

「Ahhh ! This is bad ! I'm cumming♥ Cumming agaaain～♥」

After having her G-spot stimulated for a while, Akane trembled all over as she climaxed, a clear current of liquid shot out from her crotch.

「.....first breast milk、now even squirting.....you're an interesting one」

「Yees.....yees.....♥」

(TN: Original text says 'hahi' but if you read 'hai' in a tiring voice you might get it)
I let her catch her breath and brought her down from my legs, and sat her down

on the bed, then I stood in front of her with a daunting pose.

「.....heh.....？」

「Before I put it in、entertain me with those tits」

「Y、Yes.....I、I'll try my best.....」

Big tits hooker girl, Akane ★ (Big tits Paizuri, Sex)

Double release yet again, 3 chapters left.

Akane timidly used her hands to bring her big boobs closer, standing in front of her I inserted my penis into the valley of those huge tits, then started pistoning.

「Nn.....♥ Nn.....♥」

Akane's huge tits were amazing, my whole dick was entirely concealed in side.

「Nnn ! If、if you do me that hard.....I'm、I'm、cumming agaaain♥」

I continued to rub her breasts while pistoning, while feeling it her breast milk shot out again.

Using her breast milk as a lotion for my meat stick, I thrust and slide my dick intensely inside her cleavage.

「Ahhh♥ Nnn ! 」

Feeling the pleasures on her huge tits her back shook, sometimes my shaft slipped out of her cleavage.

「Nn ! Nnn♥ lick.....slurp.....a、amazing.....」

I didn't say anything yet Akane put my glans into her mouth and crawl her tongue over it, then she started to lick it timidly.

「Alright.....first load incoming」

I sped up my piston as I enjoyed the big tits, then ejaculated deep inside her cleavage.

「Fu、Fuwaa ! A、Amazing.....♥」

「Don't move yet」

I took my dick out from her cleavage and showed her my still standing meat stick, Akane fidgeted her legs.

「.....I'll put it in now」

I laid Akane down on the bed and spread her legs, I insert my dick into the hairless pussy while fondling her huge tits.

「Nhiiii♥ So hard♥ S、So hot.....♥ S、So big.....♥」

Akane writhes while projecting breast milk.

「Oh.....you're pretty tight.....also it's hot」

Her flooded insides clamped down so tight, probably because of hunters training, it's as hot as Anri-chan's pussy.

「Ahh ! Haaa♥ Nnnn♥」

I pistoned as if scratching her G-spot, Akane blew a tide, while shooting breast milk from her tits.

「You've got a lot of love juice.....」

I had a bitter smile while pistoning vigorously, then I entered my ejaculating stance.

「Ahhh♥ I、I don't know anymore♥ I don't knooooow♥」

「OK.....cumming ! 」

I ejaculated inside the hot pussy.

「Kummiiiiiiiiiiiiiiiiing♥」

Akane climaxed while receiving a creampie, her tits also shot out breast milk while she squirted.

「Hii、ah、ah、ah.....♥ Hafuu.....♥」

Akane's strength left her body as she seemed to want to take a break, with my still hard penis I poked her deep inside with a *zun*.

「Hiaa♥ It、it can't be.....you can keep going.....」

「I'm not satisfied yet、you're accompanying me all night tonight」

「Ah、Ah、Ah、Ah♥ N、Nooo.....♥」

After that, since we were spreading juices all over the room while I cum to my heart's content, the bed became soppy with breast milk, love juice and semen.

~~~~~  
~~~~~

Next morning, I woke up early, so I rubbed Akane’s boobs to wake her up.

「.....you alright ? Can you go hunting today ? 」

「Ye、Yesz.....somehow.....」

She released so much body fluids, yet Akane’s skin is still smooth and glossy.

「Well then、take some rest for a while、then we’ll go on Teacher Rooster hunting quest」

「Ye、Yesh.....」

Hunter life with a partner

Three chaps left including this one, all will come out today.

We received the quest for hunting low-level Teacher Rooster at Saisho Village, then headed to the basecamp on a hill inside the forest.

Teacher Rooster, nickname Rooster-sensei, is the first huge monster players have to fight in Dorahun Series, beginner players have to fight this thing to get used to huge monsters, that's where the name 「Teacher」 came from.

Since we arrived at the basecamp, let's perform a review check.

「What's your hunting style ? 」

「Ah、yes ! I use Aerial Greatsword」

「Hmm.....Aerial huh.....」

If there's an Aerial-style hunter who performs air battle, then I can aim at the monster when it's in 'down' state.

「Then、Akane、I'll sit here and watch first、you show me how you fight」

「Eh ! ? We're not fighting together ? 」

「I'm the offensive type、so if I fight the Rooster-sensei would be dead in an instant。

I wanna see your skills first。

Don't worry、I'll choose the right moment to join you」

「Ye.....Yes ! I'll try my best ! 」

~~~~~  
~~~~~

Then, she ambushed the place where the Rooster-sensei is, she went around it when it starts flapping its wing rising on its feet.

Akane used the basic paintball-style crashing straight into it, then sent out a

jump attack.

Though she had Swan Dragon armor on, her huge tits still rocked up and down every single time, so I enjoyed myself seeing that scene while watching how Akane fights.

Although she does back away sometimes, but she did jump back in and attacked the monster in its weak point.

If the monster got enraged, she doesn't try to do unreasonable moves, but step back and evade its attacks.

Soon the monster entered 'down' state, it's time for the finishing blow, she successfully hit its head so I called out to her with my proud Heavy Gun, Snake Emperor Mortar, readied.

「OK、I already understood、you're good」

Saying so I launched three normal bullets, the Rooster-sensei miserably collapsed.

「Am.....Amazing..... ! Just with 3 bullets..... ! 」

「Well、that's G-rank weapon for you.....」

「G-rank hunter、that's certainly amazing ! 」

「Well、that aside、let's go back to the village to talk」

「Yes ? 」

~~~~~  
~~~~~

Going back to Saisho Village, I offered Akane a partner contract.

Akane was surprised and tried to decline, but I put an emphasis on saying she can go up even higher in the ranks, she blushed and consented to the contract.

Once the contract is signed I can give my partner my equipment to my liking to wear, so after I gave Akane a suitable greatsword, we decided to go challenge the special-named monster 「Snow Couscous Lord」.

(TN: I'm entirely NOT sure about the name of the monster)

Special-named monsters are just normal monster but they were strengthened

and became bigger, their behavioral patterns also changed, to challenge it a ticket is needed.

Akane hesitated at first, but I said it's OK and persuaded her, then we came back and forth to the snowy mountains to get Akane 'Snow Couscous Lord' equipment, it wasn't reinforced but it was completed.

'Snow Couscous Lord' equipment comes with the lovely-looking bunny-ears, I've wanted to go hunting with a bunny-eared female partner so...

Akane also somehow said that this equipment set is cute and that she was pleased.

Once an NPC became my partner, I can take her on ranking-unrelated quests.

Thus I obtained a lovely decoy, and to make equipment that can be used Online, I decided to go take down the special-named monster 「Wild Claw Tiger Rex」.

~~~~~  
~~~~~

Hearing that we're going to fight special-named Tiger Rex, Akane's face turned pale, she was reluctant but accepted as I persuaded her that I'll take care of most of the work.

That's understandable.

Tiger Rex is a terrifying monster in 「Dragon Hunter Portable Dos」, it's a huge fear for players with its aggressiveness.

But well, I have G-rank equipment, I have practically no trouble fighting it, Akane can also separate from me and scatter its targets.

During the time when the Tiger Rex was running away using area change, there was enough of a time margin to embrace the full-Snow Lord armour Akane, and Akane also let out a pleasant voice while feeling satisfied.

(TN: Not too sure what embrace here means lolol Osura said so...)

After doing a series of quest Akane was tired so I let her rest, I went to visit the red-light district, Fina-chan and Primula, but Akane didn't show any particular protests, seems like she already expected it to happen.

~~~~~  
~~~~~

Since hunter-rank-release is needed to enhance Wild Claw Tiger Rex equipment set, when I reached a high ranking I went to fight the true form of Ostoderuwa.

In a Promotion Video for the game before, the talk about Ostoderuwa was always 'Isn't that a spider?' Or 'Isn't that a snake?', but who would've known its true form is ■■.

(TN: Yup, those were censored so I can just give up)

Well, I didn't particularly have a hard time fighting it, so I didn't think too much about that.

With that said, I released my Hunter rank, defeated the Wild Claw Tiger Rex and successfully performed my final enhancement, the Wild Claw set I made for the sake of playing online in the real world is completed.

Now that I notice it, since my Hunter rank was over 80, it was possible to receive the game's Last Boss quest 「Sunewotorion」.

So, I took Akane with me to fight Sunewotorion 10 times, and obtained Dorahun Cross strongest heavy gun.

So while continued to hunt, a certain thought crossed my mind.

While cumming inside Freya-chan I decided that I'll go back to the real world for once after a while to talk to the owner of Ayakidou.

Conspiracy in Ayakidou

One left after this one.

Upon entering Ayakidou, the store owner spoke to me with a smile.

「Quite a presence you have there。

Being like this、means that your hunter life's going well am I right ? 」

「Err、well yeah」

I sat down on a chair I was offered and took a sip of coffee.

「Today、I have something to discuss with you」

「What is it ? 」

「Thanks to you、I was able to enjoy Dorahun Cross more than anyone else」

「Hm-hm」

「But.....no matter how strong has you become in the game、you'll get tired of it sooner or later right ? 」

「Well yeah」

「But、I came across 「people I don't want to forget」 inside the game Dorahun Cross」

「.....」

「Please asnwer me honestly、can 「people」 inside the game be brought out into the real world ? 」

「It's possible」

The owner casually said so.

「If you got the consent of the higher up、you can bring anyone here。
If you bring a person back from inside the game、reality will also be changed、
from family register to residence certificate、automatically、all those things like
that will be arranged」

「.....」

「If you're asking this, then it means that you wanna take girls out here, but how will you support their daily lives if you bring them out ?

Your saving account has 60 million yen。

It won't be enough to support several human lives you know」

「.....that's right but.....」

I took out an advertisement from the game shop, and pointed at a 「certain game software」.

「Is it possible to go into this game ? 」

「Fufufu.....it sure is」

I gulped down my saliva.

「Please sell it to me.....how much is it ? 」

「It's expensive, 10 million yen」

For one game to cost 10 million was indeed too expensive, but for me, I just thought 「That was cheap」 feeling disappointed.

「Can I pay with a check ? 」

「Yup」

「.....other people can't use 「this game software」 right ? 」

「My shop's customers aren't interested in cash you see。

Well, there are also customers who are interested in architecture and gold, but nobody's interested in a cheap thing like 「money bills that came from trust」」

「.....」

This shop and its customers' true nature are somewhat the same, was the conclusion that I drew, but I couldn't move my mouth to speak.

That is one of the 「things you don't need to know」 the owner said before.

I gave him a check and obtained 'that' game software.

「Next time you come to this shop, check out some antiques too OK?」

「Right.....I should also do that too」

「Wholesale is my priority、see ya～」

I dearly held the game software against my chest and left the shop.

On my way home, I encountered a group of three yankees I knew quarreling somewhere, I went easy on them so I wouldn't break their bones by lightly kicking and poking them on the forehead.

The yankees cried 「pigiya ! ! 」 and 「igi ! ! 」 as they fainted、in order not to hindrance the way of passerby I left the yankees on the edge of the street and returned home。

Then I set up the new game 「Legend of Kintaro」 on my 3PS.

~~~~~  
~~~~~

Legend of Kintaro, popularly called 「Kintetsu」 series is a popular old series among the boardgame-type genre, it's the type of game where you go all around Japan on a train to buy things and increase your assets.

I set it to 99-year mode, then picked 3 weak NPCs and played from reality, then at the end of the game where it announce your property, I went into the game and took all the property out into real life.

And in that way, since I only played with gold, I became the richest man in Japan with a total asset of 3 billion yen.

Last story • Hunting and having sex is...

Final chapter, it was a fun ride, I'll miss Arc.....at least until his next series is out.

I, who became a wealthy man with an asset of 3 billion yen, has become a genius investor in the real world as reality had been changed.

My mom complained that, though we're the most wealthy household in Japan we're still living in this tiny house, so we moved to a prestigious residential area in Yamanote, where there are a lot of lands, with the appearance of a butler.

I didn't say that going to school is meaningless, but right now I'm the most wealthy person in Japan, it'd be awkward to go to college now, so I canceled the entrance test.

Rather, those schools are running thanks to my funds.
(TN: URGHHH so irritating, I know what it means but I can't word it properly)
Then it seemed that my parents wanted to have grandchildren as they frequently recommended many good-looking marriage proposals, but I declined them all.

I do have people I want to live together after all.

That said, I went into the game to bring the girls out.

~~~~~  
~~~~~

Since this will change people lives, I talked to each and every one of them seriously without doing anything erotic.

That said, most of the girls were swayed by my invitation to live in a world where there's no monster and live the life they valued.

But, Remi-chan is an only child of the family, she has to succeed her farmer family so she quickly refused my offer.

Same thing to Primula since she needs to handle her work as the G-rank receptionist lady, so she stayed behind at Bijo Olde.

I promised to come see them again, then didn't forcibly persuade them any further.

Kashi-chan costs 5 million and Yuki-chan costs 1 million gold to redeem, but I easily paid and released both of them.

Then I took the girls out to real world and introduced them to my mom.

My mom was shocked that her son was suddenly surrounded by multiple women, but she consented willingly as she wants to have grandchildren.

With all that said, I sheltered a total of 7 beauties including Kashima-chan, Freya-chan, Rachel-chan, Anri-chan, Yuki-chan, Fina-chan, and Akane, with me.

For formalities, a legal wife is needed, but I love everyone equally, so we played Rock Paper Scissors to solve the problem, in the end Kashima-chan is my legal wife.

Everyone was a little bewildered in a different world, but they gradually got used to it.

The most unexpected thing is that, the first person to adapt to this new life is Yuki-chan, she can use home electronics and cellphone, she's the first one to master those things.

~~~~~  
~~~~~

After that.....。

I went to Ayakidou and bought 3PS together with Dorahun Online for all 7 of them so that we can go back into the game and have fun together.

My party today consists of me and Akane, Kashima-chan, and Rachel-chan.

「I'll cut a lot of tails〜♥」

Kashima-chan said so while making a pose with her long sword.

「I aim to inflict 'stun' right ? 」

Rachel-chan said so while showing off the hammer on her shoulder.

「I'll try my bests jumping on the target ! 」

Said Akane rousing herself up.

I gathered everyone, and after we're done hunting, I called Remi-chan and Primula and proposed a 6P play until morning.

Everyone's eyes were sparkling with wonders.

「In any case.....」

I carried the heavy gun again.

「Having sex after hunting.....is just the best ! 」

Hearing that, everyone laughed.
